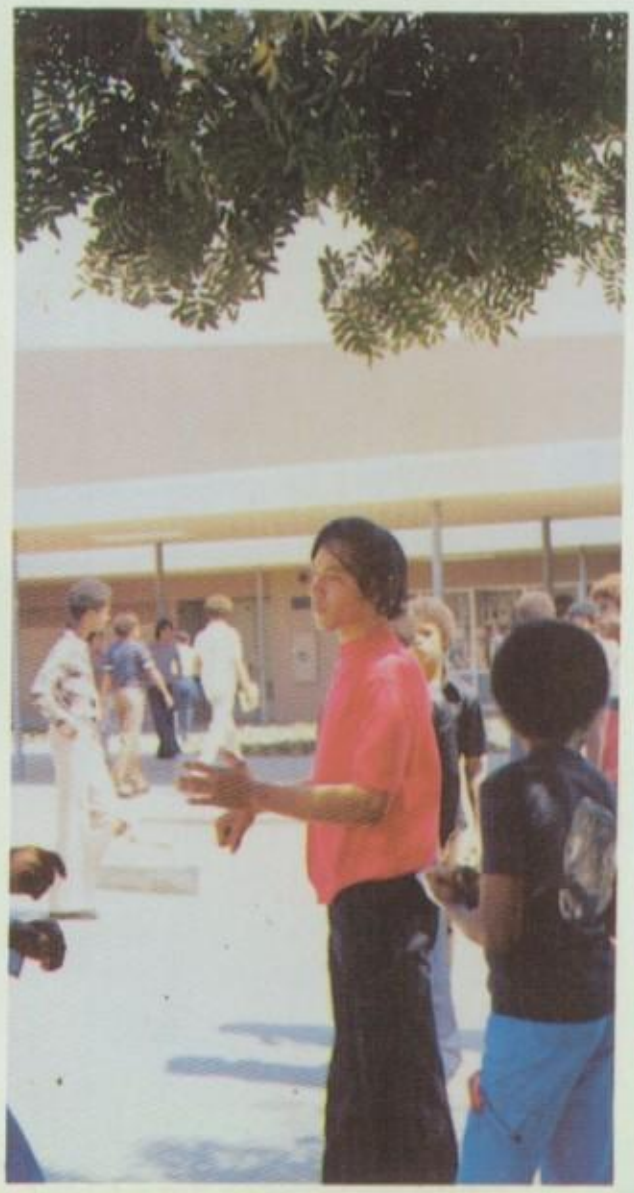
Morse High . . .



. . . eighteen years of fond memories

Tigers roaring with spirit

Homecoming Week was one of international, childish, western, nostalgic, but most of all spirited fun! Though the possibility of rain threatened to shower upon our school, nothing but **TIGER** enthusiasm soaked up the campus!

November 5 marked the beginning of the week with **Heritage Day** as the festive colored serapes and hula skirts paraded through the locker halls. 'Grand Prix 8000' was the feature of **Kiddie Day,** and little tikes and cutsie girls cheered the 'Big Wheelers' around the circular lawn with lollipops and stuffed animals in hand. Who can forget 'jitterbugging' to PD-5 on **Nostalgia Day?** Remember 'rocking around the clock' in your favorite pair of levis? The shy girl in the baby blue poodle skirt? And the zoot-suits and bubble gum? Yes, the mighty Tigers were doing it, all the way!

Nov. 8 was **Cowboy Day** and folks mosied on down to 'Tiger Towne' in their 10-gallon hats and giddayapped in their leather boots. Thanks to the brave sheriffs and deputies of Morse, law and order was kept, though there was the danger of a few 'Hairdryer Bandits.' — **Blue and Gold Day!** The school just sparkled in Blue & Gold! We showed our true-blue (and gold) pride by roaring with spirit, and making Homecoming Week greater than GRRRRreat!!!

A day of all days

Morse's home bleachers were packed as students, alumni, and spectators crowded to get a good view of the Homecoming Parade. Floats representing the spirited clubs and organizations of Morse flooded through the entrance gate, keeping the eyes of the crowd busy with amusement. Much time and effort was spent preparing for this event, and the outcome was impressive.

The football game got off to a roaring start as the top-ranked team of San Diego 'turned on the power,' and turned on the crowd with a final score of 21-0, defeating Clairemont High.

Not only was this a day of glory for the football team, the pretty face of **Jeffie Cunningham** lit up with tears as she was crowned our Homecoming Queen 79-80, during the half-time Court Coronation. But that made two victories for varsity defensive tackle, **Carlos Milsap,** Homecoming King, and a day to be remembered by attendants and traditional standouts alike.

The day didn't end there. No, the Homecoming Ball was yet to come. The evening was spent dancing in the Cotillion Room of the El Cortez Hotel to the sounds of the Par-tay Band. Or it was a night spent with friends. For some, a moment with that special someone. November 9th, Homecoming Day, climaxed a perfect week.

Clubs And Organizations

International Club

For those interested in different cultures and learning about new places, the International Club was the place. With Ms. Anthony and Ms. Beratto as advisors, the club performed international fashion shows for students and sponsored arm-wrestling and limbo contests. An annual event of the club was to sample the foods of a different culture at a local restaurant. A new idea was the learning of sign language. Pictured below are students spelling out M-O-R-S-E (top row) T-I-G-E-R-S.

Bottom row (l to r): Ms. Anthony, Anna Oliva, Gloria Parker, Susan Cruz, Venus Valencia, Gladys Castillo, Alicia Marquez, Velmonica Andrews. Top row (l to r): Joseph Luna, Tracy Vaughn, Dannyelle Moore, Rosalind Caldwell, Clarissa Barrera, Jeff Hart.

La Raza Unida

The Chicano Club was available to those interested in spreading brotherhood among others. They achieved this by providing educational conferences, giving Thanksgiving baskets of food, and collecting toys for children during Christmas. The club was also involved in school activities such as Homecoming. A trip to Knott's Berry Farm was part of the rewards of their efforts, plus satisfaction and pride. With Ms. Beratto acting as their advisor, the club was a true benefit to the school and to the community.

The Morse Code

The CODE staff puts out the school paper, and this year they did a very professional job. The advance staff edits and publishes the paper, meanwhile the other beginning classes function as reporters. The CODE is published every three weeks, and prides itself on having worldwide circulation. To develop the paper's journalistic techniques, select members of the award winning CODE staff attend Journalism conventions where they learn new ideas to improve the paper. So watch out, Lou Grant, the MORSE CODE staff is on its way!

Going to the Top . . . With the A.S.I.A.N. Club

The A.S.I.A.N. Club, (Associated Students for the Integration of Asian Nationalities), is a mixture of students interested in their culture and heritage. Some of the cultures represented were Japanese, Filipino, Guamanian, Chinese, Vietnamese, and Samoan. The club held several successful activities: Picture-Picnic Day at Vacation Village, Homecoming Parade, Ice Skating, car washes, wonton sales, and Aloha Week.

One of the most important events was the Homecoming Parade. Members contributed time and effort by making paper flowers, posters, or being models representing a Pan-Asian country. The members realized unity and pride while cooperating together.

The A.S.I.A.N. Club was one of the TOPS on campus!!!

Independent Studies

Morse High School was one of the few schools in the district which could boast of a club such as the one pictured above. Independent Studies consisted of an elite group of students, hard-working, fun-loving, and unique. Many of them tops in their classes. The club was known for its helpful services, such as tutoring, assistance, and leadership. They also performed plays, co-sponsored dances, and participated in extended day and overnight field trips. The Independent Studies program, under the guidance of Mr. MacDonald and Mrs. Cole, worked with students personally to satisfy their special needs and provided a rare opportunity and unique experience in education. Pictured top row (l to r): Herbert Soriano, Evelyn Medina, Cynthia Villagomez, Susan Roe, Miro Copic, Tina Santos, Eddie Norris, Frankie Nakata, Mrs. Cole, Mr. MacDonald, Sergio Gutierrez, Nelly Santos, Diana Sinsay. R.O.T.C.

ROTC is the largest organization at Morse High School. It consists of young men and young women who are able to take on challenges and responsibilities. Students take an active part in the military as well as the social aspects of ROTC. ROTC has a very complex structure and functions just like a military unit. The cadets are subject to surprise inspections and are involved in many interscholastic competitions. Morse is one of six schools in the city that has a ROTC program. ROTC cadets attend a rigorous training program during the week of Easter vacation. (Similar to the one used by the Marines) Cadets also look forward to social functions like the formal Military Ball held in May. ROTC is instructed by Colonel Yenter who is assisted by Sgt.-Major Petro. The battalion staff is headed by Edwin Pascua, James Alston, Annie Ganal, Nayomi Peirce, Ken Acafle and Milton Hugo.

This year's annual staff started off with a bang. At the beginning of the year, seventeen Key staffers attended the Journalism Educ. Ass'n. convention at Anaheim. They absorbed many new ideas and learned how to produce a better annual. We hope this book is enjoyed by all, but mostly, we hope you'll remember your times at Morse High, your friends, teachers, sports, dances, and all the special moments that made up the year.

Tiger's Den

1

Who would give up their lunch hour to serve a hungry group of Tigers? The students at the Tiger's Den, of course! The class operated the store as their own small business under the guidance of Mr. Martin Van Boskirk. With the experiences found here, members of the select group would be qualified to open a private business of their own after high school. Perhaps it would be called Payne/McCollough, Inc.? With their merchandise and friendly services, the school patronized the store daily.

The band and drill team completed a successful year under the leadership of the new band director, Mr. Harry Nelson, and Drill Team Sponsor, Mrs. Connie Phillips. The head coach summed up the feelings of the whole school by saying, "this was the best band Morse has ever had." Although the band was fairly small compared to other schools, it remained quite competitive, in exhibitions, including the Mother Goose Parade and the Oceanside Christmas Parade. Tigers enjoyed the fine half time shows the band and drill team performed.

To sponsor these events, the band had many fund raising activities, including a 20 mile walk-a-thon, candy sales, roller skating parties, and car washes. In the second half of the year, the Marching band became a Concert Band. Morse Tiger Band members had lots of work. They had to memorize the music, learn how to march and to play their instruments and practice, practice, practice . . .

Senior Committees

The **Homecoming** and **Baccalaureate Committees** were comprised of hard working seniors. The **Homecoming Committee** organized the senior float and sponsored Kiddie Day. The **Baccalaureate Committee** helped ready the seniors for the future.

Standing: Robi Williams, Griselda Guzman, Cheryl Whittington, Susan Roe. Sitting: Marian Guidry.

This year's **Graduation Committee** was responsible for making June 12, 1980 a most memorable day. The committee arranged the speakers and organized the entire format.

Standing: Cynthia Villagomez, Rowena de los Reyes, Belinda Calabia, Linda Price, Tina Santos. Kneeling: Jeana Libed, Evelyn Abueg, Marlene deCastro, Cynthia Cruz.

The Prom Committee visited many hotels, looking for the perfect prom site. They also searched around San Diego for the right band to provide the best entertainment for the class of '80!

Standing: Eli Woo, Evelyn Espe, Susan Roe, Milton Hugo, Casilda Rocamora, Charles Oliva, Lillian Johnson, Sheri Rostadha, Debbie Chenault, Linda Kenan, LaDonna Moore. Kneeling: Robert Beam, Griselda Guzman, Robert Gunn, Nancy Medina, Alicia Deguzman, Carla Viado, Michele Anders, Nathan Lawrence.

Making things happen

This year's **Cap** and **Gown** and **Announcement Committees** worked closely with the companies handling the sales. The Committees felt they achieved satisfying results, and gained valuable experiences in the field of public relations.

Standing: Robi Williams, Susan Roe, Evelyn Espe.

The **Grad Night Committee** worked with the senior class and parents to organize ticket sales and locate chaperones. Their efforts made Grad Night a night to remember.

Sitting: Carla Viado, Alicia Deguzman, Nancy Medina, Susan Roe, Sheri Rostadha, LaDonna Moore, Robi Williams, Debbie Chenault, Lillian Johnson, Rowena delos Reyes, Tina Santos, Michele Anders, Belinda Calabia.

The **After-Prom Committee** worked diligently to find the right place to top off the Prom. The **Annual Signing Party Committee** gave the seniors one of their last chances to share memories.

Standing: Robi Williams, Nancy Medina, Cheryl Whittington, Marian Guidry, Linda Kenan. Kneeling: Susan Roe, Milton Hugo, Nathan Lawrence, Casilda Rocamora.

One of the youngest yet successful clubs on campus was ACHIEVE. ACHIEVE had a twofold objective: to provide a challenging and academic atmosphere in the classroom and to sponsor activities for the club and the school. The courses offered were college level, advanced, or accelerated, such as calculus, Honors English, and biology. If a 3.33 GPA was earned at the end of the semester, a student was considered to be an ACHIEVE scholar with a special ACHIEVE Scholar pin. To escape from the pressures, the club sponsored annual tug-of-war contests, Magic Mountain trips, Halloween costumes parties, and other social activities.

CSF is a club which provided recognition to Morse students who did exceptionally well in class. To be a member, one had to receive at least 3 A's and 1 B in college-prep classes. If one achieved this for four semesters, he was eligible to be a Sealbearer and graduate with honors. A Sealbearer is a life member and has the opportunity to receive scholarships and enter prestigious colleges. CSF'ers were rewarded for their efforts with banquets, parties, field trips, and even an all-night trip to Disneyland. CSF is a combination of fun and hard work, like their motto, "Scholarship through services," indicates.

Junior Varsity Cheersquad

What can you say when you're a Tiger . . .

. . . what can you say to show your pride?" say the J.V. cheersquad of M.H.S. This talented group of tigers strutted their stuff at U.S.C. in competition where they showed their true spirit and took 2nd place in overall excellence. They also put forward their best effort to fire up the J.V. team as well as the crowd at all their games. The team members this year included Kelli Nedd, Theo Payton, Zandra Waines, co-captain Tanya Palmore, and captain Terri Wheeler.

Aquatics Club:

The Aquatics Club was formed in 1975 to serve as a support group for the Morse Aquatics teams, specifically Water Polo and Swimming. Fund raising activities included a "Stroke-a-thon" where each participant swam 5000 yds. or about 3 miles. The Club is sponsored by Coach Gary MacDonald and has been of great help in developing the fine Tiger Aquatics tradition.

Lettermen's Club

Lettermen's Club is an organization open to students who have earned a varsity letter in a sport. The purpose of the club is to support and promote athletics and to unite all sports. Another aim of the Lettermen's Club is to raise the standards of athletics since all members must have a 2.50 GPA requirement. The club was very active in school and promoted many activities.

This year's chorus was very unique because they were one of the first groups in Southeast San Diego to sing concert music. The Morse chorus just keeps on singing their hearts out. Every Monday, Tuesday, and Wednesday, the chorus practiced after school from 3:00 to 5:00. In the beginning of the year, many of the members did not even know how to sing or read music. Yet, after lots of hard working they had a successful Christmas concert, which included selections from the Handel's Messiah. Under the direction of Eileen Moss, the chorus went even further to sing songs in Latin.

The MHS Ski Club consisted of a group of Tigers who all shared some common interests — SKIING and just having a good time. Some of this years members were experienced skiers, and there were also those who were just beginning. The club was established here at Morse last year in order to promote unity among students. The club also enables the students to participate in an activity which they may not otherwise be able to take part in. Members are given instructional aid which helps them learn the fundamentals of downhill skiing. During the course of the year, the club took several ski trips to places including Brian Head, Utah. To help cut the costs, the Ski Club sold the colorful "Tiger Power" scarfs for the football C.I.F. finals. With Coach Cerveny's expertise, advise, and help, the skiing tigers had some GRREAT times!

Lights! Camera! Action!

Since Morse is without a Drama department, a group of enterprising students from Independent Studies and the Achieve program formed into the IS/Achieve Drama group. This group was active in bringing varied forms of entertainment to the school. Reader's Theater, Shakespearean plays, Ballet, TV plays, and oral interpretation were all different forms of drama brought to the Morse stage. The Christmas play included a performance of Charles Dickens immortal "A Christmas Carol" and "Gift of the Magi", by O. Henry. The Achieve choir also sang a medley of Christmas favorites. "The Taming of the Shrew" was dubbed the Senior Class play. The IS/Achieve Drama group has a very promising future.

During his second year at Morse High, Mr. George Frey has become known for setting high standard of behavior, and encouraging students to their full potential. Mr. Frey has enriched students' experience by arranging assemblies and activities which brought to our school a wide variety of talent and ability, widening horizons for all, and showing students goals which they may attain in the future. His efforts, along with those of the faculty and staff, continually enhance the quality of education at our school.

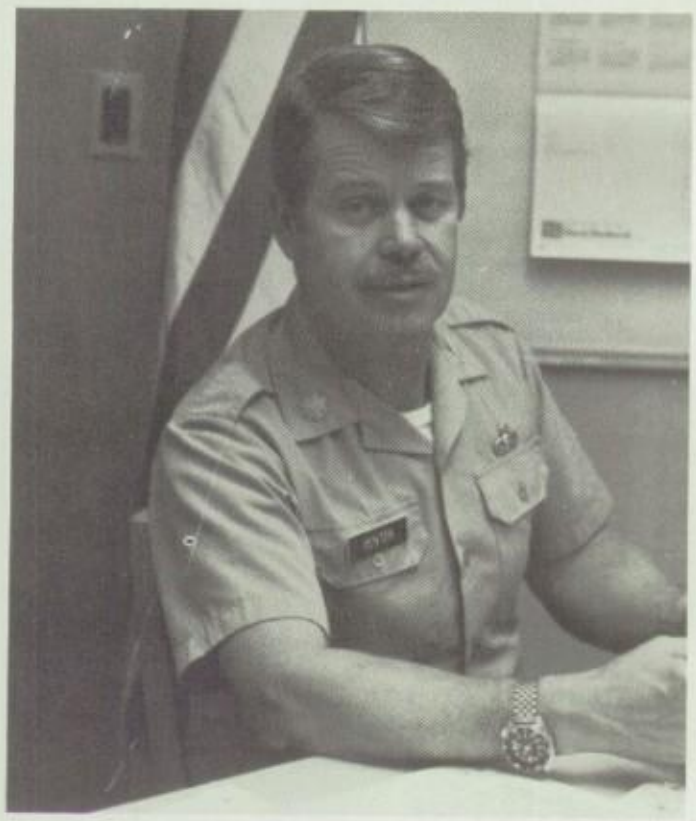
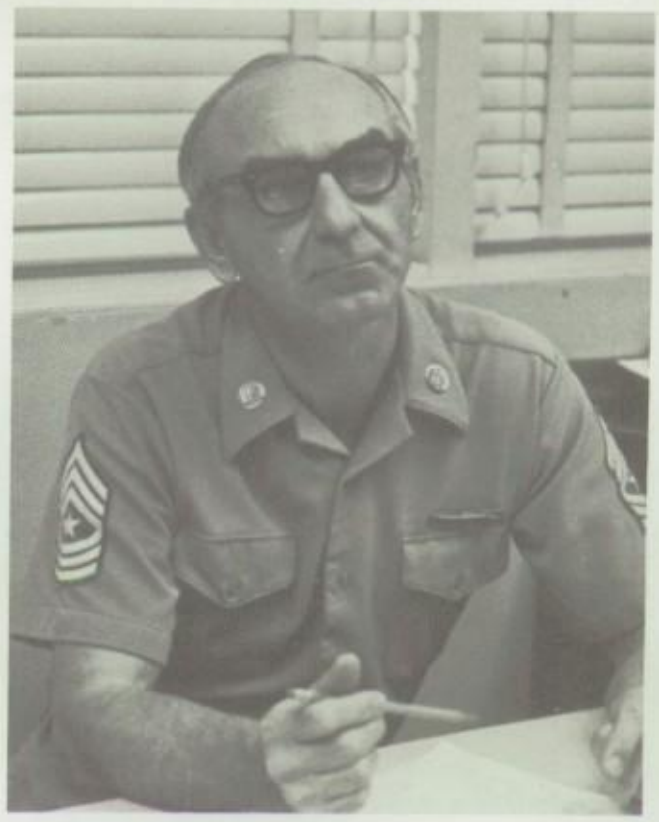
Activities

Junior Reserve Officers Training Corps

The Battalion Staff this year (from left ro right) included Marc Prado, Annie Ganal, Ken Acfalle, Carol Quintanilla, Edwin Pascua, Naomi Pierce, and Milton Hugo (not shown). These pèople had many responsibilities, checking out supplies, taking inventory, a and lot of paper work. For anything that needed doing, the staff was there to make sure the jobs were done. The ROTC instructors were Col. Yenter and SGM Petro.





During Jan. 7-25 there were special boards to pick the Brigade Staff. This year we have two from Morse High, they are James Alston and Benito Espe.

ROTC Queen and Her Attendants

During the Morse vs Point Loma Basketball game the ROTC presented their 1979-80 Queen and her attendants, Queen Carol Quintanilla, escorted by Edwin Pasuca, 1st Attendant Ednita Pascua, escorted by Ken Acfalle, and Carolyn Cabrera, escorted by Milton Hugo. Also in April 1980 they will represent Morse High ROTC during the Military Ball.

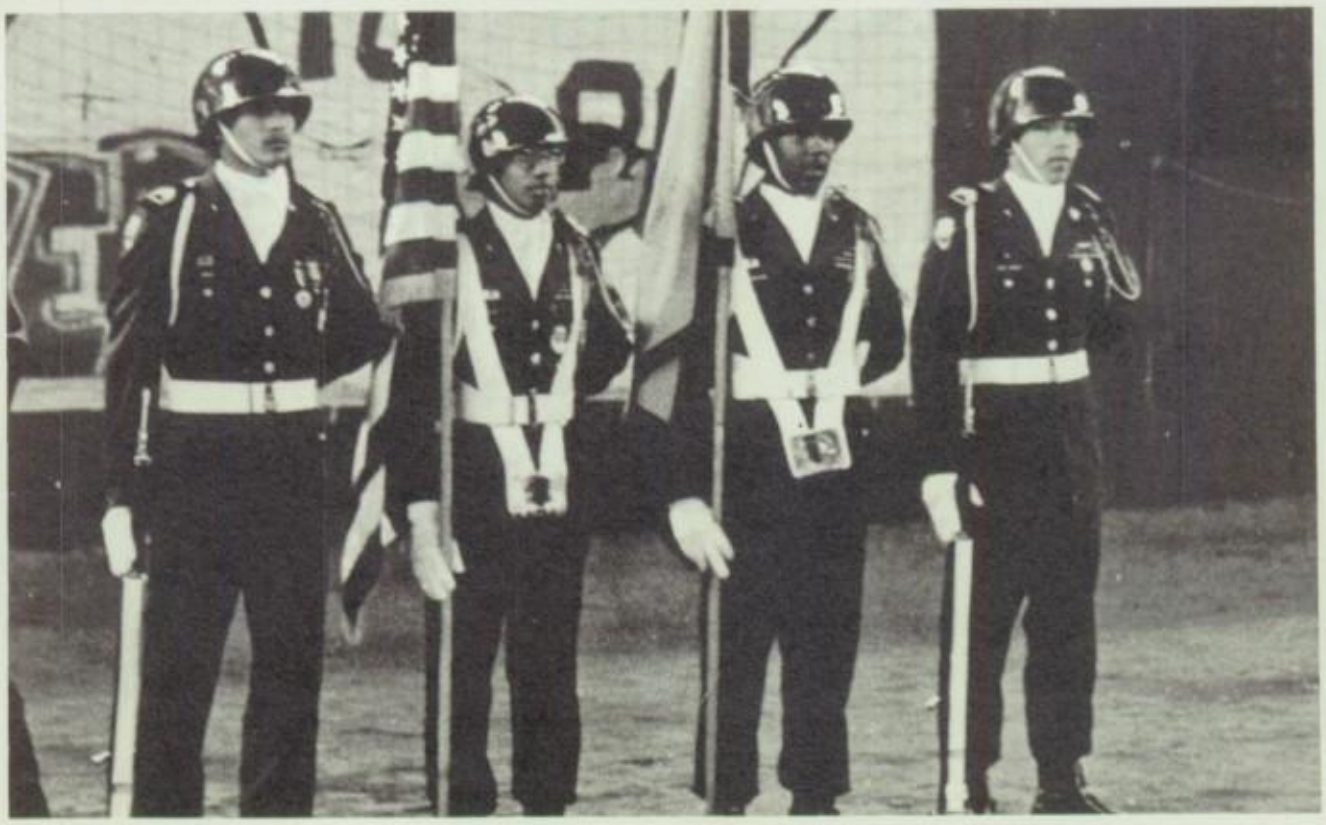
3. Drum and Bugle Corps.
4. Lunch time was spend around the ROTC building a lot for meetings, practices, studying, making merits or making up demerits and of course eating lunch.
5. Men's Color Guard won first place in competition and performed at the Sports Arena on CIF night. The cadets on the team included Marc Prado, Benito Espe, Robert Washington, and Evrett Van Zuiden.



Spectrum

SPECTRUM, better know as the Modeling Club, was newly formed at Morse. The students formed the club to improve their poise and self images. To qualify, all members must obtain a g.p.a. of 2.5 or better and may not receive below an "S" in citizenship.

All That Jazz

As one walked past the band room not only familiar tunes were heard but also the sounds of jazz. This year students were given the opportunity to express themselves in the Jazz Ensemble under the direction of **Mr. Harry Nelson.** Unlike most jazz players, these students must also be able to read music and "play by ear." The main emphasis was to learn different jazz styles, but their music included pop and disco, such as "Samba," "Get It On", and "L.I. Express." 1979 is considered to be the building year for the jazz Ensemble, and they are ready to start the decade with a bang!

Industrial Arts . . .

The word "art" usually brings to mind sculptures, ballets, and paintings. At MHS there is another side: the world of industrial arts. The works done in this department are considered to be a technical and refined art. One could create almost anything that comes to mind. The industrial arts classes at MHS give a student a chance to learn a trade or a craft, in graphic arts, wood working, metal shop, auto mechanics, drafting, aviation technology and house building. The industrial arts department educates students in these vastly growing fields. The students who excel in one of these classes may in time go on and make it in an occupation of great benefit to society & self.

TIGER

Behind the scenes, one can find parents volunteering their time and efforts to help Morse High. They do many things, such as supervising school activities, coordinating events and giving support to Tigers. Some of these services come from organized groups, such as the Parent Teacher Student Association (PTSA) and the School Advisory committee (SAC). Under the leadership of Mrs. Irene Fountain, The PTSA provides supervision and scholarships for Morse seniors. Chairperson Eva Jackson and the SAC advise the principal on school and community affairs, such as the proposed traffic light on 69th and Skyline, painting the water tank behind the school, and organizing fund raising projects for a Hawaiian trip for students taking Spanish.

Parents of seniors arrange committees for the special graduating activities such as Grad Night under Mrs. Dudley and After Prom (under) Mrs. Snyder and Mrs. Hackebill. Mrs. Beatrice Evanson did much for the school; this year she donated the new lunch benches. Band and Drill Team parents volunteer their time to mend uniforms, chaperone events, and assist during parade walks. During football season Mike Schulte and Skip Coons helped to coach the team. Without these dedicated people, many school functions would not have been a success. If there are any whom we have not mentioned, it is because there are so many. Morse High salutes them, Thank you!

Assemblies

What did Tigers have to break the everyday routine of classes? Assemblies! During the course of the school year, students were given many opportunities to see and listen to guest speakers and performers. A poetry recital (in a very unusual manner) was given by Roger Stephens. Edgar Allen Poe and Teddy Roosevelt were brought back to life through the Living Theatre. As the popularity of roller disco grew, an exhibition of roller skating was scheduled in. Career Day assemblies introduced various career and summer employment for students.

Assemblies were also performed by Morse students. Independent Studies enacted Shakespeare's *The Taming of the Shrew* for ACHIEVE Students. The International Club gave a special fashion show for handicapped children. The Ethnic Awareness program designed and promoted different culture and heritages. Motivational assemblies were continued from last year. A popular assembly was led by Charles King, where the audience was asked to sing, clap, and stomp their feet. Tiger assemblies were not only educational, but also exciting and fun!

Lunchtime is munchtime . . . plus a lot more!

The bell rings . . . the clock reads 12:01 . . . of course it's time for lunch! Tigers anxiously rush to their lockers, the food lines or to their cars. And why all this commotion? It's the Tigers' time for MUNCHING OUT! This short break from classes enables the Tigers to eat and especially to be with their friends and have some fun. At lunchtime, Tigers spend time in activities like pep rallies, club meetings and games. Because Morse is an open campus, many students go out to eat at places like Jack in the Box, McDonald's and Taco Bell. Here are a few happy Tigers enjoying themselves either competing or just having a good hearty time.

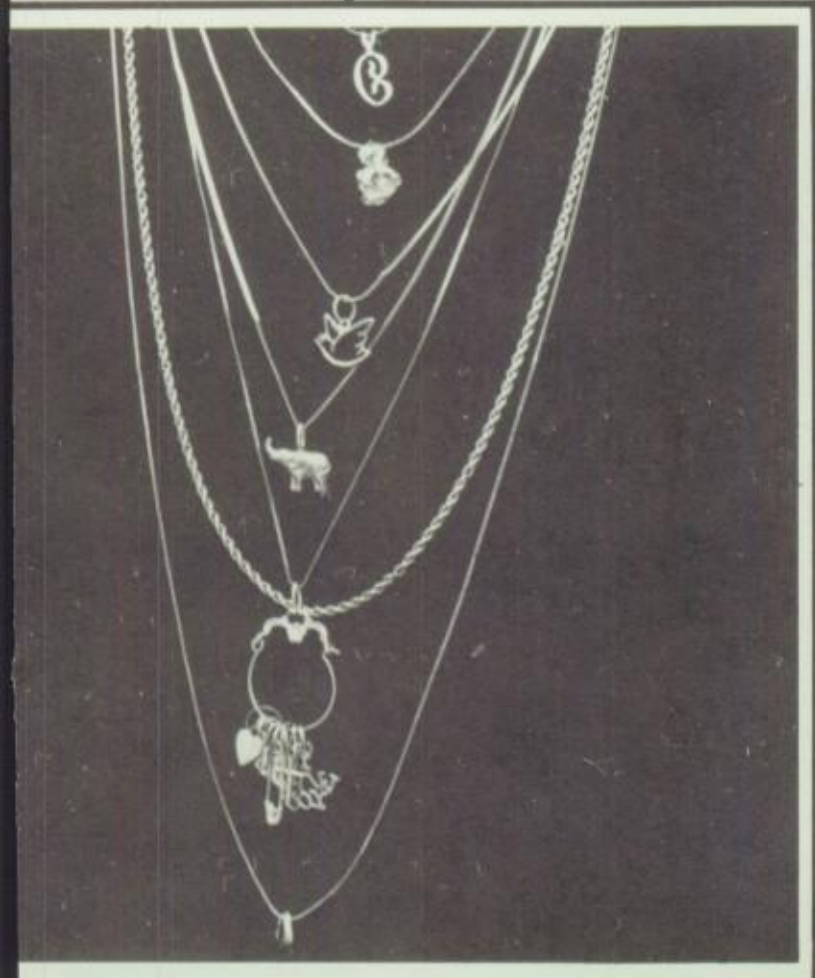
FADS

The "Ten Hairstyle," "GQ Look," "Cowboy Style," and 14K Gold were just some of the fads during the year. Morse students were the trend setters, they kept up with the times!



In the world of news, gold,

The World: On November 4, 1979, Islamic students in Teheran, Iran held 50 American citizens captive in the United States Embassy. They demanded the return of the ex-**Shah Mohammed Reza Pahlavi** for alleged crimes against Iran. Russia's invasion of Afghanistan prompted **President Jimmy Carter** to call for a boycott of the 1980 Moscow Summer Olympic Games and an embargo on grain shipments and the sale of high technology to Moscow. He hoped it would cast a shadow on the economy and force increasingly tough decision on the Soviet leadership. Gold prices skyrocketed and broke the $800 mark in January, '80. The Boat people fleeing Vietnam brought concern to the people of the world as did the starvation of thousands of Cambodians.

Thirteen oil ministers from the Organization of Petroleum Exporting Countries assembled in Caracas to set world oil prices for the coming year. The Nation: The **Chrysler Corporation** had been inching closer to bankruptcy, taken down by a sale curve. Congress tossed the ailing automaker $3.5 billion worth of help that included $1.5 billion in federal loan guarantees. **President Carter** proposed to renew military draft registration and included women. Pope John Paul II toured the U.S. and was cheered by millions. In May of '79 at Chicago O'Hare Airport an airplane crash killed a number of people.

Sports: The **Morse High School Varsity Football team** won the California Interscholastic Federation (C.I.F.) Championship for the first time since 1969 against **Granite Hills** in the San Diego Stadium. The **Pittsburg Steelers** won the Super Bowl against the **Los Angeles Rams.** In baseball, the **Pittsburg Pirates** beat the **Baltimore Orioles** for the World Series. Elected to the Baseball Hall of Fame were outfielders **Al Kalien** and **Edwin (Duke) Snider.** Former Dallas Cowboys **Too Tall Jones** turned from football to boxing. **Bjorn Borg** wons his 4th straight Wimbledon title while **Martina Navratilova** won her 2nd Wimbledon. **Tracy Austin** and **John McEnroe** won the U.S. Open. The Winter Olympic Games held at Lake Placid, New York The **U.S. Hockey Team** won the gold medal beating U.S.S.R. for the first time since 1960. **Eric Heiden** represented the U.S. in five different speed skating events and won a gold in each one. The 1979 World Figure Skating champions, **Tai Babilonia** and **Randy Gardner** dropped out of the Olympic s due to an injury suffered by **Randy.**

Movies: Vietnam, again came into focus with **Francis Ford Coppola's** "Apocolypse Now", which received an Academy Award nomination for Best Picture. Other nominees for Best Picture were "Kramer vs. Kramer",

gas prices, Iran, Olympics lead '79-'80

"Breaking Away", "Norma Rae", and "All that Jazz." Other blockbusters of the year included "Superman" with **Christopher Reeves** as the mighty man of steel, **Steve Martin's** screen debut in the hilarious "The Jerk", and the suspense thriller, "Alien." **Meryl Streep** won critical acclaim for her performances in "Kramer vs. Kramer" and "The Seduction of Joe Tynan", while "Cruising" with **Al Pacino** stirred up controversy by its portrayal of homosexuals. Roller disco made its silver screen debut with 2 movies, "Skatetown U.S.A.", and "Roller Boogie" which starred **Linda Blair** on skates. **Bo Derek** became a new sex symbol through her movie, "10", which easily raked in millions and created a new fad for hair styles.

Music: **Michael Jackson, Donna Summer,** and **Kool and the gang** all produced top notch albums in 1979-80. The **Sugar Hill Gang's** "Rapper's Delight" hit everyone with its catchy lyrics, while "I Do Love You" by **G.O.** was still in people's hearts. In the rock world, **Cheap Trick, The Cars, Pink Floyd, Led Zeppelin,** and the **Knack** all came out with excellent LP's. San Diego headlined such fine groups as the **Jacksons, Earth, Wind, and Fire, Styx,** the **Bee Gees, Blondie, Fleetwood Mac,** and the **Knack**. Also, **Stephanie Mills** performed and **Linda Rondstad** gave a benefit concert for Governor Brown. The San Diego Stadium was host to a sell out rock concert with **Blue Oyster Cult, Cheap Trick,** and **Pat Travers.** In Cincinnati, 11 people were killed at a rock concert by the group the **Who. Paul McCartney** was arrested in Japan for possession of marijuana before starting his Japan tour with his group, **Wings.**

Television: CBS's "Dallas" skyrocketed to the top of the ratings and branched out with "Knot's Landing." **Robin Willians** continued to space out audiences with his "shaz-bat" antics on "Mork and Mindy." "Charlie's Angels" added a new angel, **Shelley Hack,** replacing **Kate Jackson,** who wit her husband, **Andrew Stevens** starred in ABC's **"Topper."** All three major networks produced new magazine shows but none were able to match CBS's continuously top rated "60 minutes." Shows like "WKRP in Cincinnati." "Taxi", "Eight is Enough", "Hart to Hart", "Soap", and "Benson", continued their popularity with all audiences. Science Fiction was big on the tube again with the return of "Battlestar Gallactica," when the mighty Galactica finally reaches Earth. Other Science fiction shows were "Buck Rogers in the 25th Century", the TV movie "The Aliens are Coming", and the miniseries "The Martian Chronicles", based on **Ray Bradbury's** book.

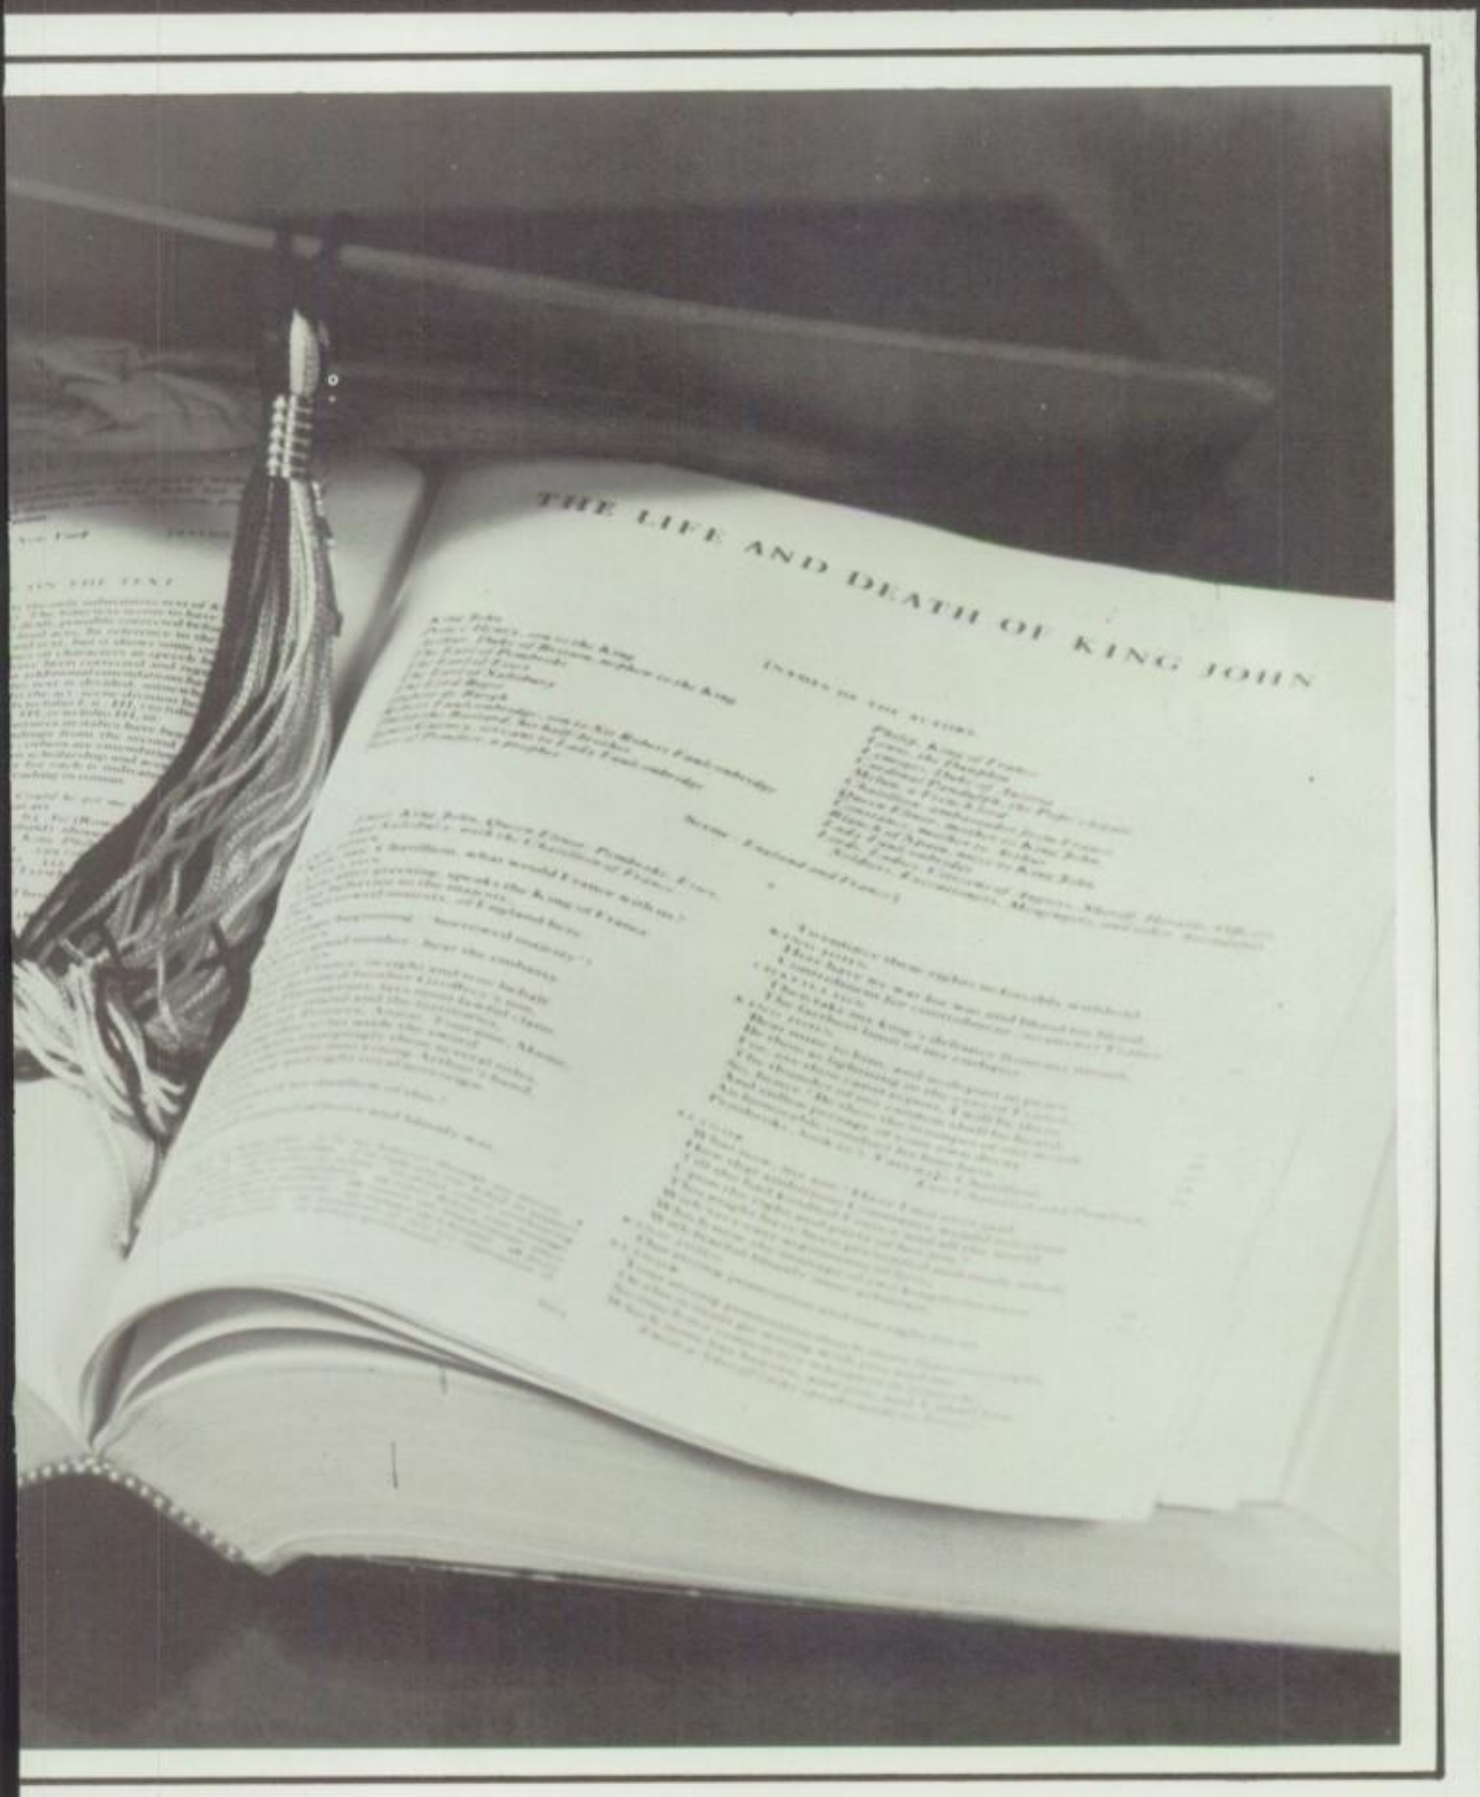
Academic Distinction



First of a decade

We are giving special dedication to those thirty-one tigers from the class of 1980 who graduate as the first of a decade. These young people finished the year halfway, while still showing great effort in getting good grades. All of them have made goals and are heading for a bright futured. They know that a good education is essential for success in life, and they have truly come of age!!!

Here are a few of their responses to Coming of Age:
Alicia Williams: It means that I finally made it into the world as an adult. Its time for me to reach out and touch my dreams.
Ernesto Lozano: Striving for the best because you deserve it.

Donna Singley: Coming of age means bei
mature enough to take on the responsibili
of your life ahead.

1st row: Scott Nystrom, Donna Singley, Nanci Scherkenbach, Susie Wolfswinkel, Dennie McGraw. 2nd row: Ernesto Lozano, Terri Armour, Alisia Johnson, Barbara Logan, Evaughn Collier, Cindy Jones, Alicia Williams, Debbie Myrick. 3rd row: Kelly Carter, Vicky Brown, Linda Story, Karen Steinbrenner, Salvador Espiritu, Gustavo Jimenez, Deedra Nash, Jeffie Cunningham. Through self-discipline, study and a lot of hard work, these students received the honor of having a gold seal embossed on their diplomas. To be a sealbearer, a student had to be a member of C.S.F. for a minimum of four semesters. Being a sealbearer was a great honor and proved beneficial for future goals. Many colleges awarded scholarships to sealbearers and students found it easier to be admitted to a college with this honor in their backgound.

Young Man and Young Lady

Rory Acon

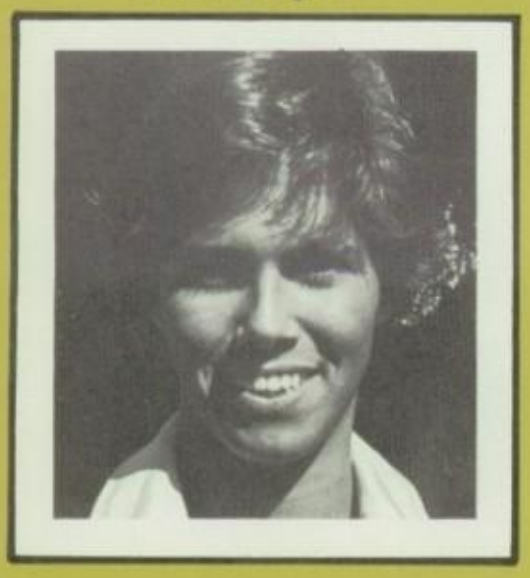
Susan Roe

SEPTEMBER

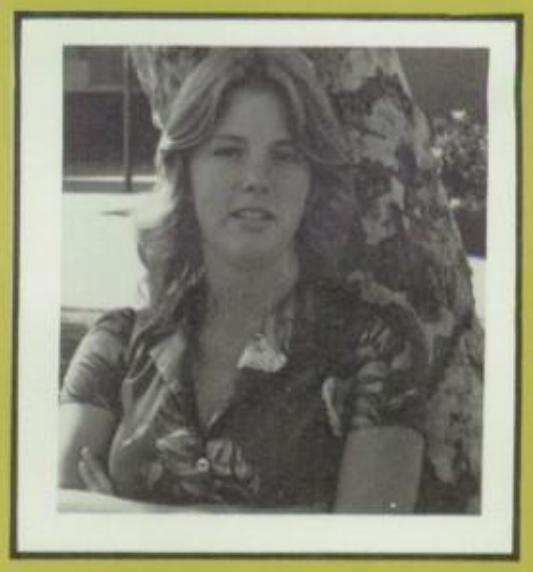
Rory Acon was an asset to Morse. He was a member of the baseball and CIF football teams. The student body elected him ASB President and he worked closely with the administration to make Morse run smoothly.

Susan Roe was very involved in school related activities. She was a member of various clubs and served as a bilingual commentator for the International Club's fashion shows. She served as Senior Class President. In her senior year, she played field hockey, was an Annual Staff member, a C.S.F. Sealbearer, and senior standout.

Miro Copic



Kari Carlin



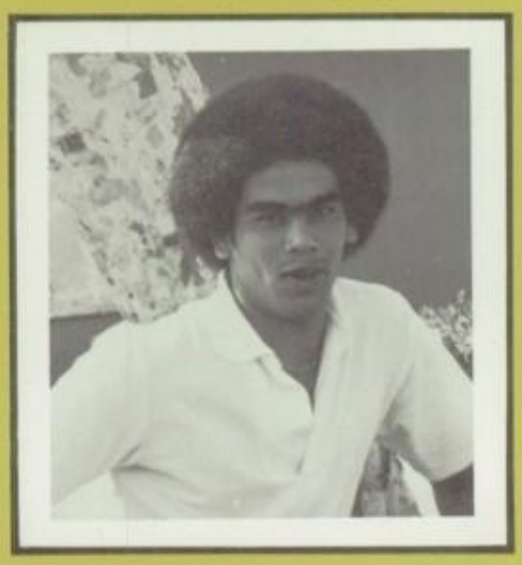
OCTOBER

Miro Copic, known to his friends as the 'Italian Stallion" was a multitalented young man. He was a member of the tennis and water polo teams, and served as an officer of C.S.F. He will also be remembered as an actor in the I.S./A.C.H.I.E.V.E. Drama Group.

Kari Carlin participated in athletics and academics. She was president of German Club and I.S. as well as a field hockey player and water poloist. In her senior year she was selected Eastern League Player of the Year.

of the Month

Anthony Caligagan



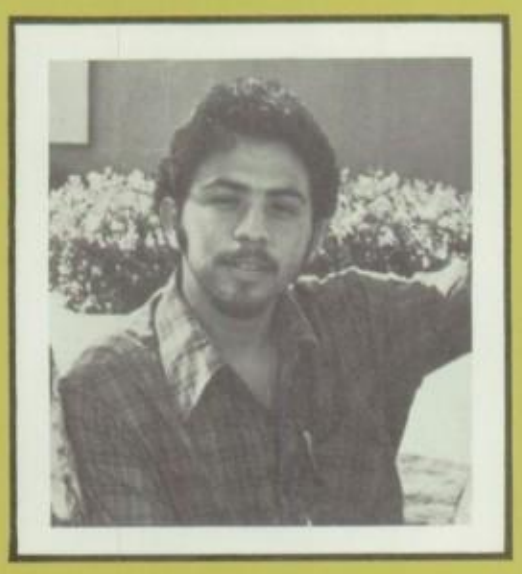
Ivette Siragusa and
Evelyn Espe

NOVEMBER

Anthony Caligagan served Morse in various ways. He was a member of the varsity football, wrestling, and tennis teams. In his senior year, he served as the Commissioner of Men's Athletics.

In November, both **Ivette Siragusa** and **Evelyn Espe** were chosen "Young Lady of the Month." Ivette was a senior standout and worked with A.S.B. for three years. Evelyn was president of the A.S.I.A.N. club, played on the girl's tennis team, and she was a member of the prom committee.

Frank Gallardo



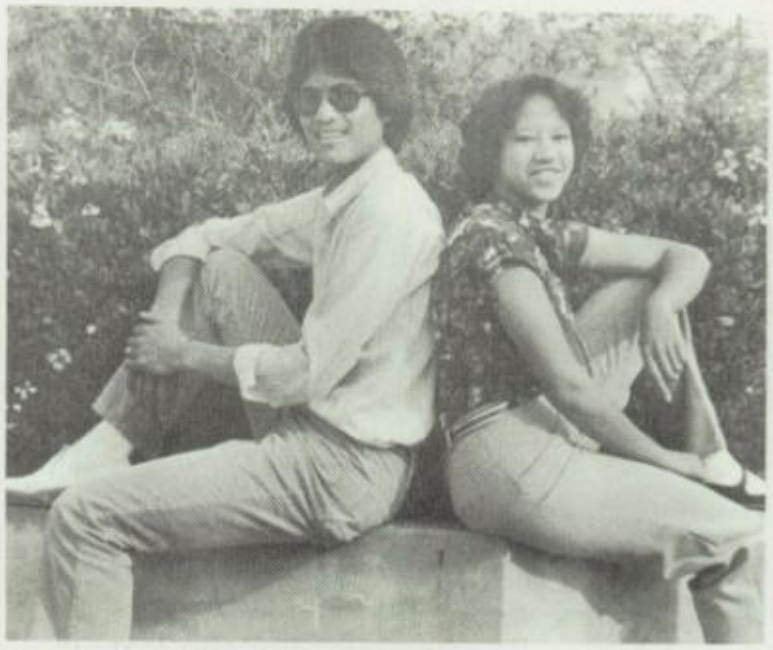
Chelley Fryer

DECEMBER

Frank Gallardo was an asset to the class of 1980. He was the editor of the "Code," and he was the Code's representative to the A.S.B. Council. He was voted a senior standout and he aided the football team as its manager.

Chelley Fryer, a two-year member of the Varsity cheersquad, represented the squad on the A.S.B. Council. She was also an important member of the women's basketball team.

Charles Oliva



Marian Guidry

JANUARY

Charles Oliva was a very important student at Morse. He was an annual staff photographer, Prom Committee member, and a Varsity tennis player. His presence will be missed on the courts and on the pages of the yearbook.

Marian Guidry was often seen on the football field, as a three-year member of the drill team. In her senior year, she was selected colonel of the drill team.

The recipients of the "Young Man and Young Lady of the Month" award were selected by the Tiger Triumph Committee. The seniors were nominated by teachers because of their service to the school and community and their dedication toward a good education. In all, they were model Tigers. The month of March through June will be covered in this year's Supplement.

Kazuhiko Sato

Carole Snyder

FEBRUARY

Kazuhiko Sato, known to everyone as "Kaz," was a valuable member of the men's tennis team. He was an active member of the International Club and he was a C.S.F. Sealbearer.

Carole Snyder was a well-liked senior. She was voted "Most Attractive" and "Most Talented" by her class. She earned a letter as member of the band and Varsity field hockey team.

Salutatorian 1980

Barbara Webb

Morse High has been graced with the talents of Barbara Webb the past three years. Beside her academic achievements, Ms. Webb was also very active outside of the classroom. Her contributions extend from her leadership as the president of CSF and Société Honoraire de Francais, participation in Independent Studies, field hockey, ACHIEVE, and International Club. A particular interest of hers is drama, specializing in the Shakespearean era. Other interests include fashion, architecture, dancing, and cooking. Ms. Webb's college goals are to earn a degree in engineering or business. Morse high salutes its salutatorian, and wishes her success and luck.

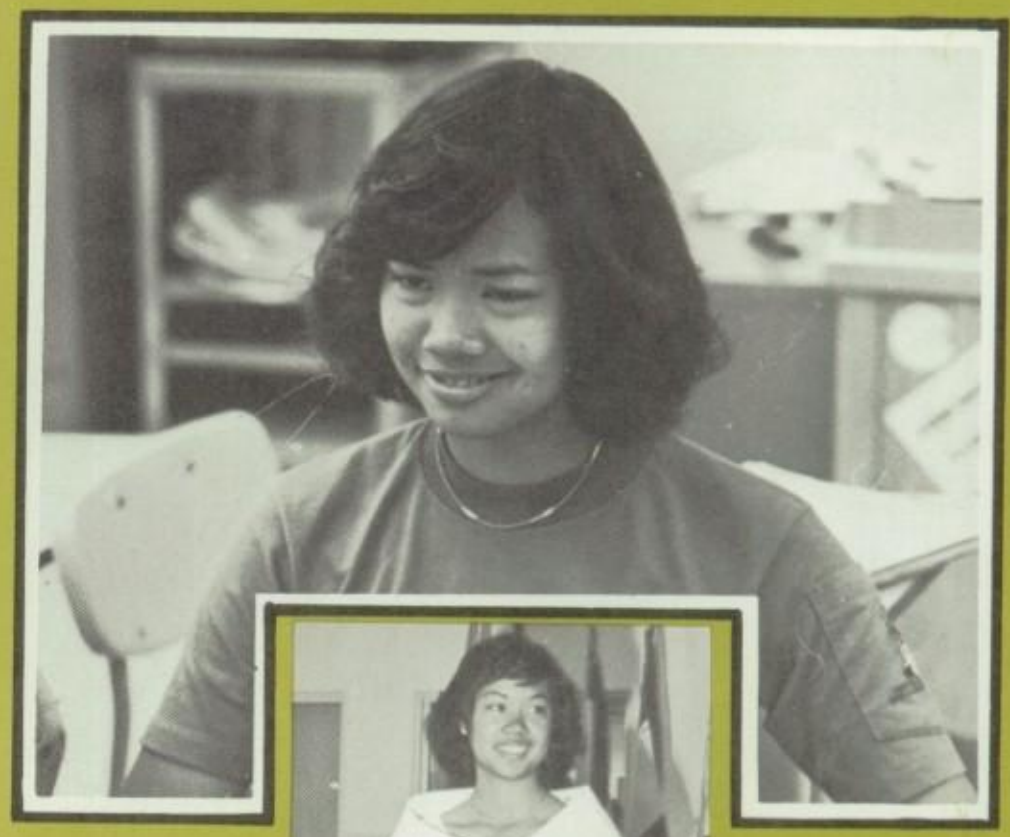
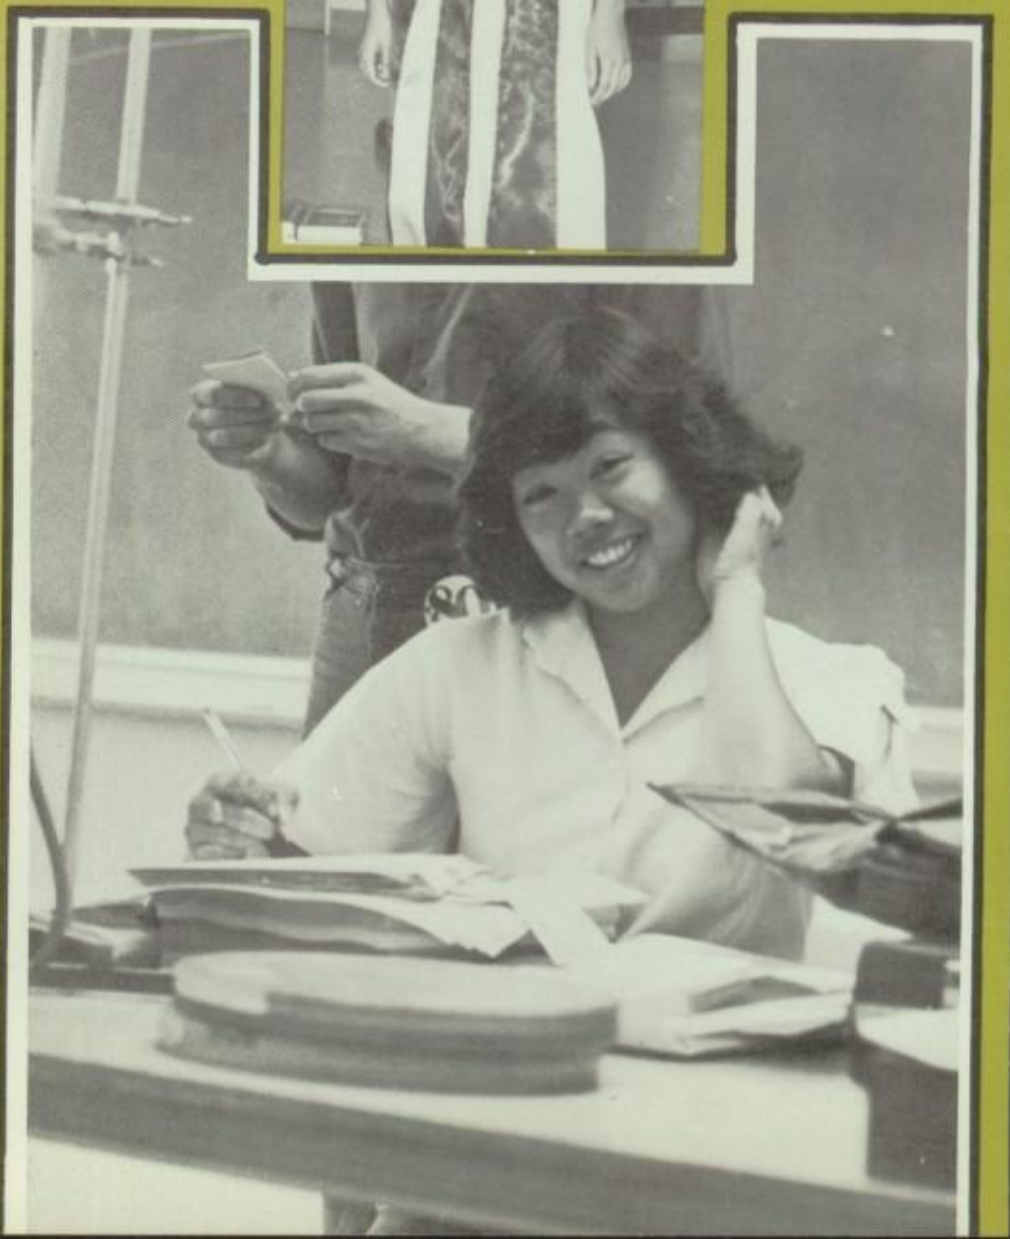
Valedictorians
Top Scholars . . .





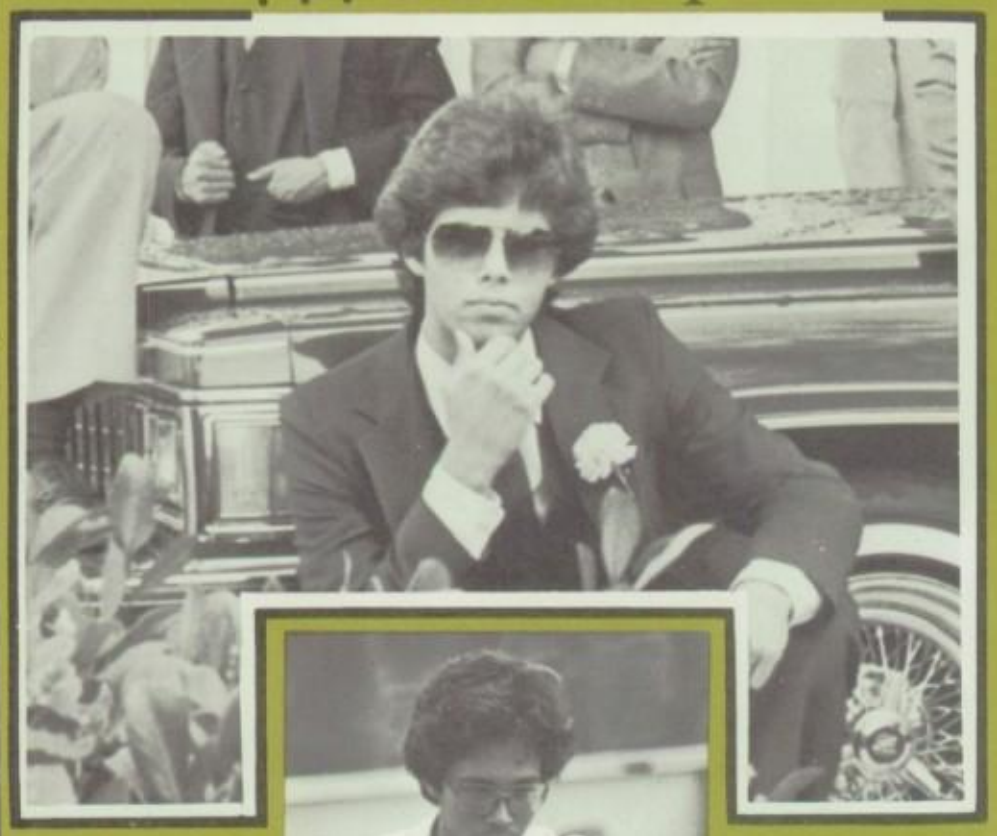
Tina Santos

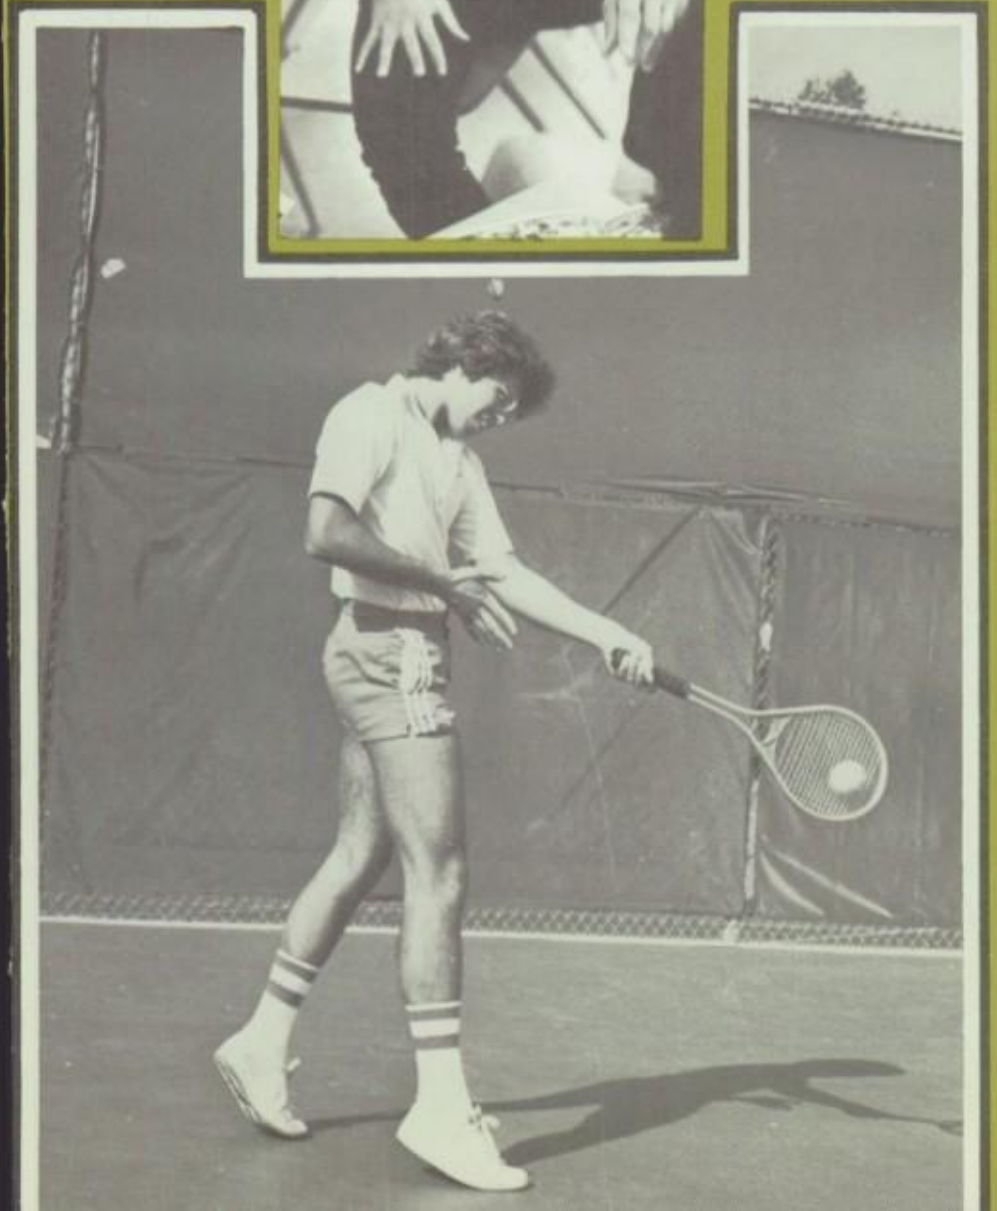
Instead of one valedictorian we have two on campus. Each earned the honor achieving the highest grade point average possible (4.0) accumulated since their Freshmen Years.

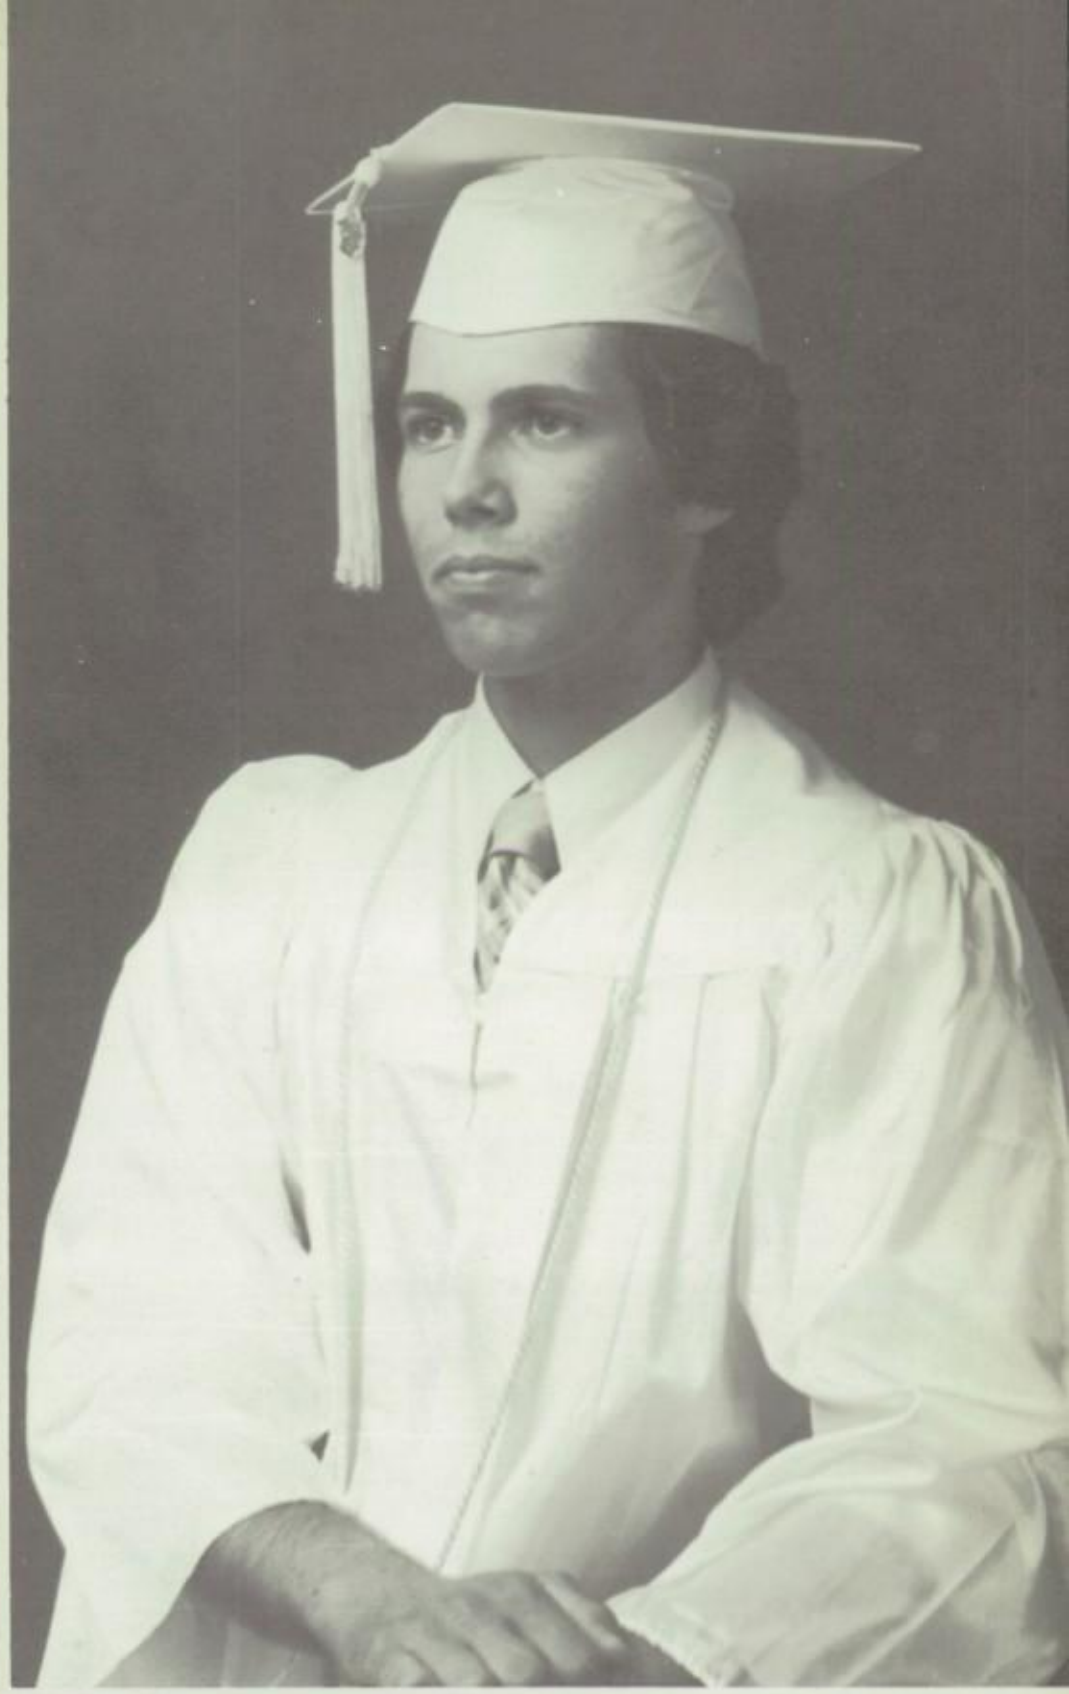
Tina Santos is one of our top scholars. She has been active in Independent Studies (I.S.), becoming Vice President during her Senior Year. She is also an active member of A.C.H.I.E.V.E., C.S.F., and the International Club. In all these clubs she had held office. Other activities in which Tina's been involved are: Annual Staff, the I.S. Shakespearean Drama, and the Graduation Committee. Other things to add to her list are sports (Girls' Tennis and Field Hockey Manager), the A.S.I.A.N. Club and tutoring in Spanish.

As to her goals, she plans to do many new and exciting things. Her philosophy on life is . . . "To try to do my best most of the time, but a little mischief is okay sometimes . . . and to respect the opinion and individuality of others, since being unique makes life interesting."

. . . On Campus!!







Miro Copic

Miro Copic is the other top scholar. Noted for this energy and conscientious attention to his duties he is involved with many activities.

In sports, Miro participated in Varsity Water polo and he is also a 3 year veteran of the Varsity Boys' Tennis Team. In communications he is on the Morse Code and is the Co-Business Editor of this year's Annual Staff. Miro is also a member of Independent Studies (I.S.), A.C.H.I.E.V.E. and C.S.F. He has held office in all three organizations. Miro is also Young Man of the Month for October, a Senior Standout and is part of the Senate. Other activities in which he has participated are A.S.I.A.N. Club, Letterman's, Aquatics and the Foreign Policy Debate.

Miro states that . . . "I feel that a person has to set goals and strive for them but all work and no play makes Miro a dull person . . . So I involve myself in things I like that are beneficial to me and other people. I feel that one should live life to the fullest even with its ups and downs, because it makes you a better person . . ."

"We finally did IT!

On December 8, 1979, a remarkable group of athletes gave Morse an early Christmas gift: the **San Diego 3-A CIF Football championship.** With determination and victory in their minds, courage and pride in their hearts, and talent and coordinaton in their limbs, Varsity players began their long climb to the top. Knowing they would inevitably be playing in San Diego Stadium one night, the Tigers started the season with victory.

Keeping up with MHS tradition, the team dominated the Eastern league. The season showdown with Henry for league title was not destined to be a Tiger triumph, but did provide a spot in the play-offs. This was the only defeat they were to experience, it gave them more determination. According to Coach John Shacklett, the Henry game was soon forgotten. They had to prepare themselves physically and mentally for the play-offs, and defeat had no role in their preparation.

The first CIF opponent was Helix. Coach Shacklett felt this was the game in which the group performed their best. Coming from behind, Morse rallied to tie the score 21 all at the end of the fourth quarter. CIF rules forced each side to play four downs; the team with the most yardage gained would be the victors. Thanks to terrific defense, Morse found itself in the semi-finals. (Helix with 0 yds., Morse 18 yds.) Although they played at Vista, many fans came to watch their team earn their way to the finals with an easy 28-0 win over San Dieguito.

The final showdown was to be between Morse and Granite Hills. The players were exposed to pressure by the media since the Eagles were highly favored. Yet, in view of 14,225 witnesses the team proved who was Number One. They scored seven ponts every quarter and allowed only one Eagle touchdown. Victory was enhanced by well deserved recognition to **Michael Johnson** and **Gene Thomas,** who were selected as the game's **Most Valuable Offensive** and **Defensive Players,** respectively.

The Varsity football team has been described as a "remarkable group, one of the best play-off teams" who will "be remembered for a long time." The experience of the coaching staff and the undivided will of the players, gave **MHS** the **pride, glory,** and **honor** of the **CIF Championship** of **1979.**

J.V. does it again!

Though the spotlight was mostly on varsity this year, the junior varsity team deserves the same recognition as the seniors. The team performed with style, ability, and finess which brought them to the top of their league. Their superb defensive line left five out of nine opponents scoreless, and high-ranked rival Kearny High was one team dazzled by the Tiger's "Wacky O-ffense and Crazy D-efense." Coach Leonard Arevalo commented: "This was a typical Morse football team. They played with enthusiasm and pride. We (the coaching staff) are all proud of them." The talents of these athletes earned them the J.V. co-championship (with Henry High) for the second consecutive year.

C.I.F. for second straight year!

After all those freezing 6:00 morning practices, after all those hard Saturday workouts, not to mention the daily afternoon practices, the Morse Water Polo Team made the CIF playoffs for the second straight year! A proud Coach Gary MacDonald wants to make it a tradition. This year the Tigers were moved back into the tough Eastern League. Facing difficult competition the mighty Tigers missed a shot at the title by just one game. Still their outstanding 8-4 league record enabled the Poloists to make the playoffs. This years team was led by Varsity captains Steve Mishler and Eddie Norris. Along with other All-League players like Jeff Burdett and Charles Limberg, the Tigers proved a formidable match for any team. Next years team will have a lot of depth, and along with Assistant Coach Robin Sanchez, Coach MacDonald plans to make next years team another contender.

Spikers do it with punch!

This was a building year for volleyball as only three varsity players returned from last year's team. **Marcia Lavatai, Etta Maeva,** and **Betty Beard** were the building blocks on which the team was built. The remaining six players were new to volleyball. The team showed tremendous improvement in skills and teamwork as the season progressed. Although the overall record, 2-12, was not too impressive, this year's team played many fine matches against very strong opponents. The future looks optimistic if all non-graduating players return from both teams next year.

The JV team had a tough schedule and ended on a frustrating 2-12 record too. The experience gained by this year's team will do much to get our varsity team started on a winning track next year.

All the players involved with volleyball this year can be proud of their efforts because though the going got tough, they never gave up.

Badminton exploded this year with the addition of men to the traditionally women-dominated sport in the Eastern league. The team was led by top-rankers Bobby Gunn and Chris Machitar in the single's set, Diane Snyder and Kazihito Sato in mixed doubles, and Danny Garcia and Michael Hom in men's doubles. The season record is not an indicator of the team's performance, for many of the matches were lost by only one game. They were motivated by "Players of the Week," who were agressive, punctual, high-spirited, and all-around good sportsmen. With the experience gained during this season, the team promises to be a threat in the future.

Tigers Make Tracks

Cross-country is a sport which requires hard work, much effort, and hours of practice and determination. This years team received new runners who showed enthusiasm and sincere improvements in the beginning meets.

Some leaders of this years team included Oscar Babers and Kevin Peck. Future teams will be inspired by this years team because of Coach Cervenys moral support. Without this inspiration the Tigers couldn't make tracks.

Girls ace opponents again . . .

This year's Girls' Tennis team faced stiff competition from tough Eastern League rivals. The team's record (2-12) did not indicate the team's ability. The team was led by senior Marlene DeCastro, a three year Varsity player and voted this year's MVP. But Marlene was not alone, backed up by outstanding singles players like Belinda Calabia and Evelyn Espe, the team pulled off a series of victories over San Diego and came quite close to upsetting Mira Mesa and Clairemont. The doubles teams also played an important part in the teams standing. During the CIF Finals, the doubles team of Lynn Ravancho and Lynne Shipley managed to battle fierce competition and make it to the second round before being eliminated. The team worked on skills all season and the effort showed on the courts. Next year's team will lose a lot of good players but returning members will fill the slots. Morse tennis has a long way to go but the future looks brighter.

Rifle Team
Shooting for the Top

This school year of 1979 and 1980, the sport of marksmanship started to dominate the lives of a select few. In January, the six members of each team began to practice shooting bull's eyes with pinpoint accuracy. The Morse Varsity and JV Rifleteams, coached by Colonel Yenter and SGM Petro commenced the season in January, with hopes of taking CIF and experiencing the glory of victory. Competing against other schools in the Eastern and Western Divisions, Morse has scored well against many of the other schools in the county. With Varsity and J.V. ready for anything this year they have been ready to take it. The demanding practices require skill, patience, and the courage to keep calm — this is a nerve-racking sport. The Varsity team has aimed for high places and will hit the bull's eye. The J.V. team has done well and will continue to hit the target in the future. With all their work and practice, the MHS rifle teams will be NUMBER ONE!

1979-1980
BASKETBALL TEAM SPRINGS INTO ACTION

For the third straight year, the Tiger basketball team qualified to play in the Sports Arena. Unlike the previous years, when Morse played the consolation games, the team was "shooting" for first place.

At the Sports Arena, the Tigers were matched against Patrick Henry, the Eastern League champions. Although the team lost 70-63, the game was well played. Tony Rasheed was the game's leading scorer. Despite the defeat, the young men had a great season, finishing second in the Eastern League.

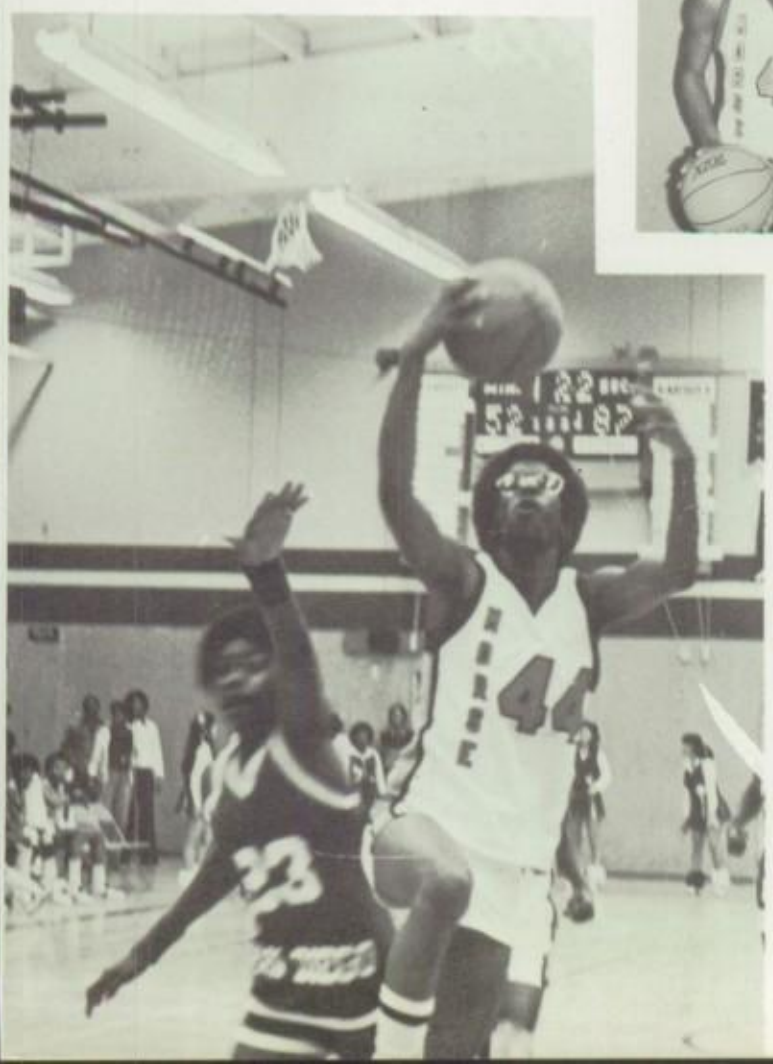
Top row left to right: Coach Donnie Sownden, Pete Lampe, Ronald Coleman, Zac Trueblood, Head Coach Ron Davis, Allen Hollingsworth, Tony Rasheed, Kevin Jennings, Coach Robert Caviola. Bottom row left to right: Chris Hopkins, Rodney Flowers, Dellondo Fox, Mark Finks, Richard Washington, Tony Jackson, Diego Smith, and Michael Newburn (manager).

#24 Diego (the Diamond) Smith despite his size (5'4") is still one of Morse's star players. After high school he plans to go to college and continue his basketball career.

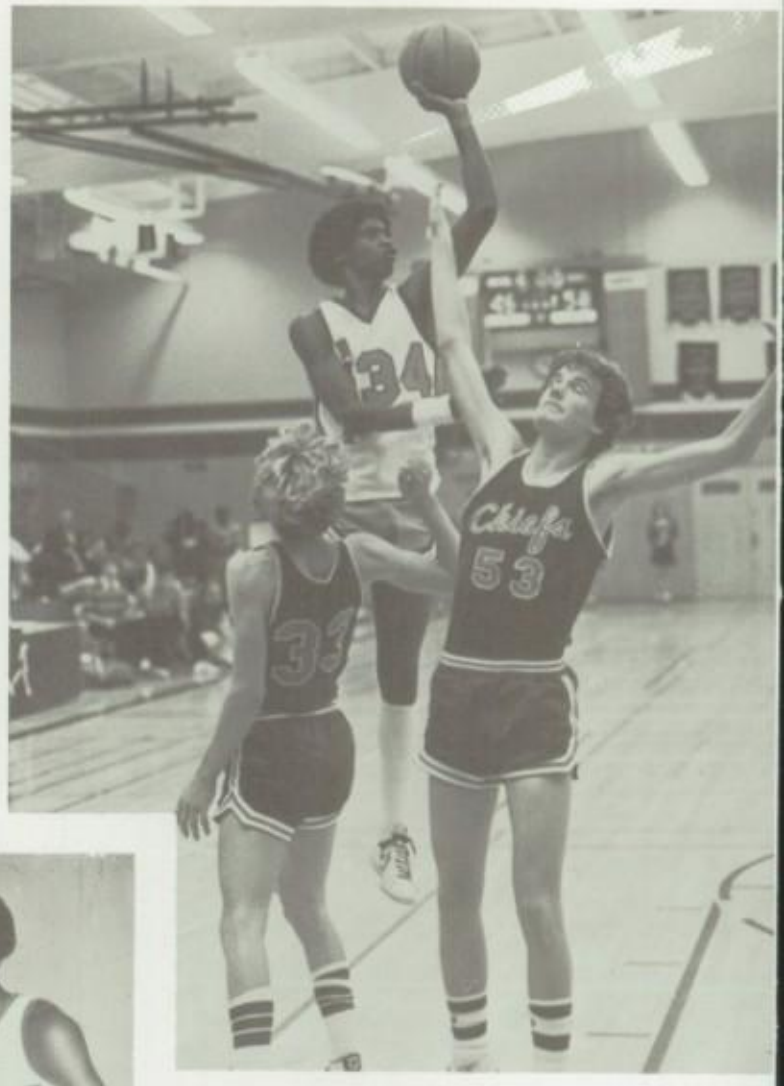
#40 Ronald (the Wizard) Coleman at 6'4" is well known for his great shooting and defense. After high school he plans to become a lawyer.

#44 Chris (Hollywood) Hopkins. This 6'3" Leo has been playing basketball for 7 years, and now feels he has had it.

#54 Allen Hollingsworth at age 16 is one of the youngest of the team, but with the way he uses his 6'4" body you'd never know it.



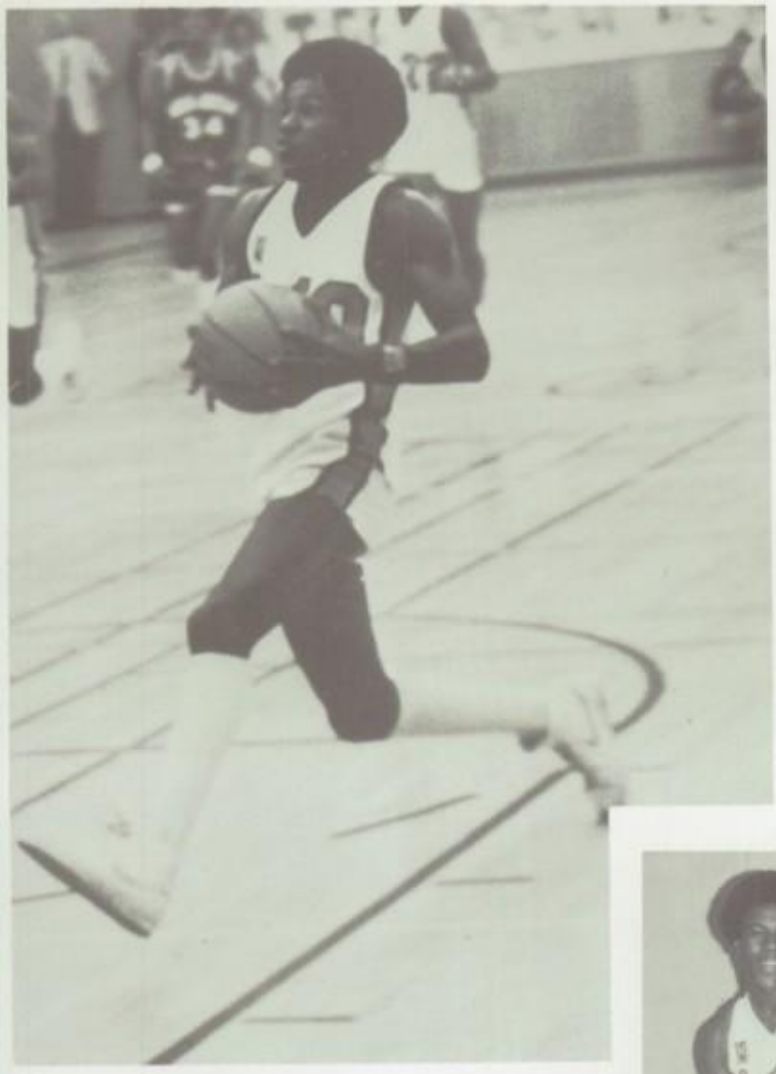
#32 Tony (the Trimmer) Rasheed. Everyone here at Morse will remember Tony for his professional style of playing. After High School he wishes to become a Musical Conductor.



Zac Trueblood #34. At 6'5" Zac is known for his great leaping ability, no one would ever believe this young Virgo has only been playing Basketball for two years.

#12 Mark Finks. This year around athlete is well known for his great speed and endurence. After high school he plans to college and play some sort of sport.

#20 Richard (Daddy Rich) Washington. Well known for his jumpshot, feels Morse has the best team in the country.

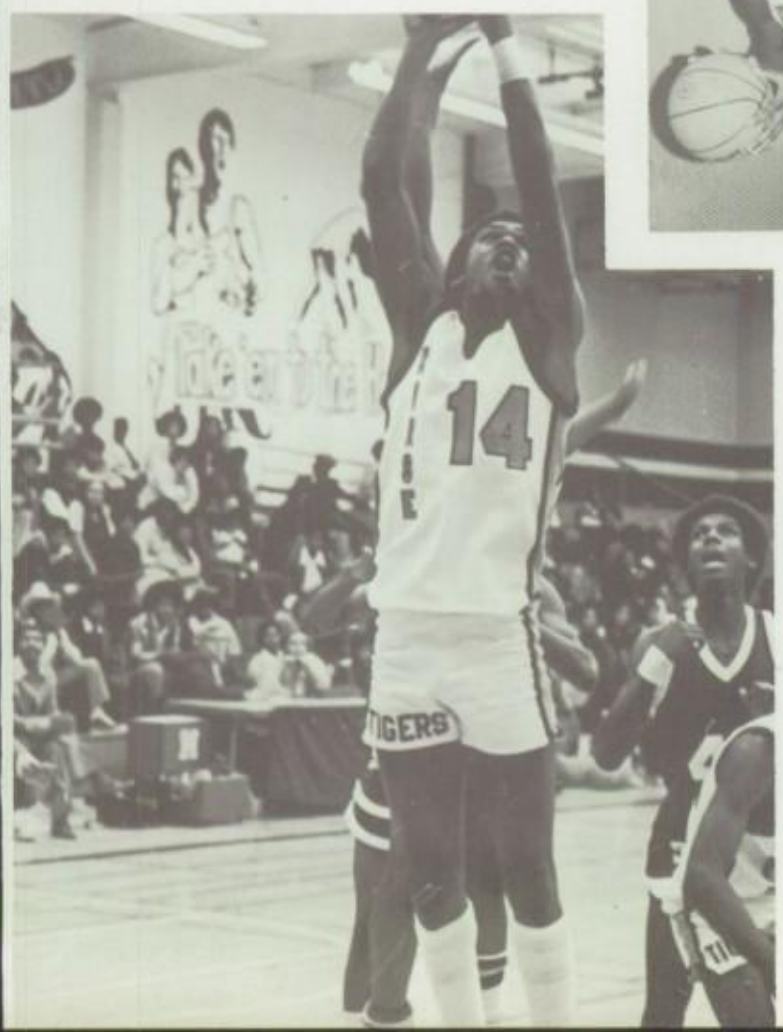


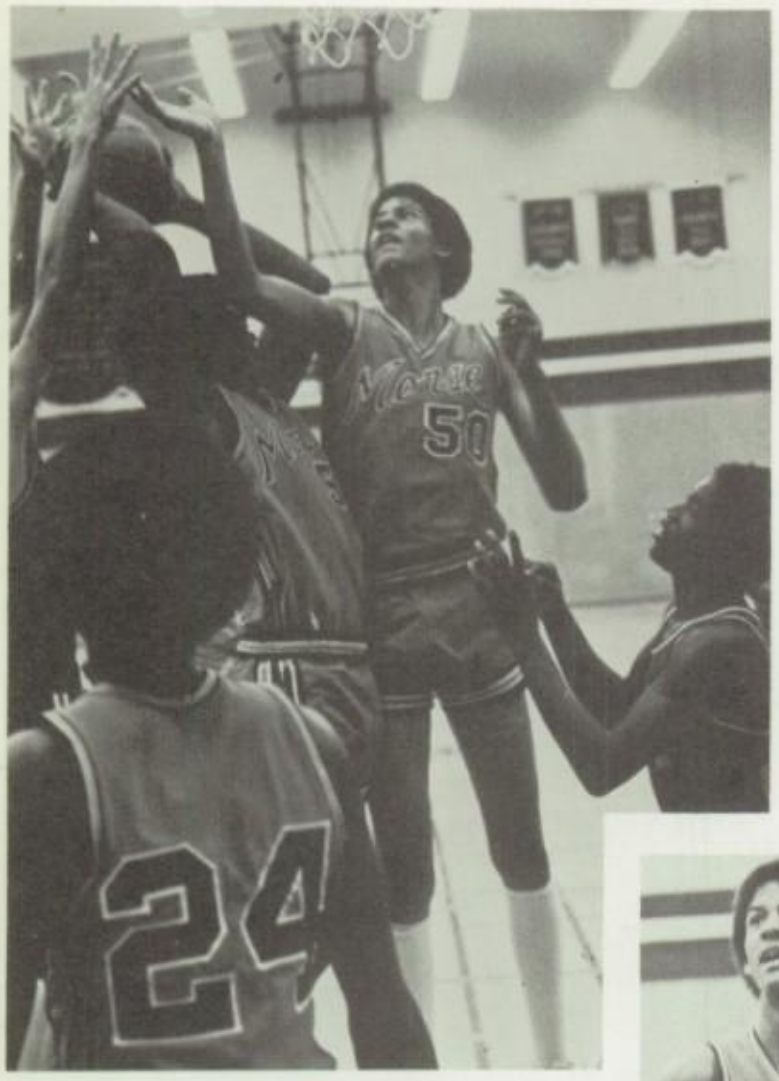
#10 Dellendo Fox, another of the younger members of the team, was excellent this year and quickly gained a reputation for his great shooting and defense.

#22 Rodney (all nets) Flowers a talented young Capricorn known for his great shooting.

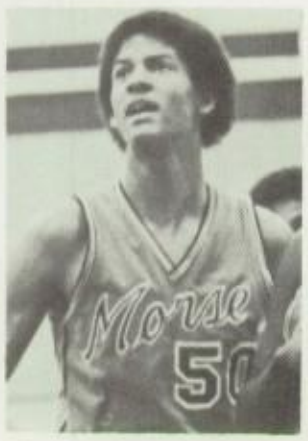
#14 Kevin (Home at the time) Jennings. This 6'3" Libra feels the team was pretty good this year, but next year the team will be great.

#42 Tony (action) Jackson. Junior here at Morse is a young piecies who feels the team this year was alright but had the skill to do better.





#50 Brian Ritchey a 6'7" Virgo with high hopes and great talent. He will go far.



#52 Brian (BONE CRUSHER) Williams an excellent basketball player with a great personality. After high school Brian plans to go to college and major in mathematics.

With his eyes on the clock Coach Davis plans his strategy for the last thirty seconds of the game.

The wrestling team under the great leadership and guidance of Coach Klepper and assistant coaches Dean Wong and Rowlen Mantanona, did very well this season. Along with the returning players, Eugene Gonzales, Yohannis Johnson, and many more, the Varsity squad came in third in the league, losing only two out of their seven games. The J.V. squad with many new young wrestlers also had an excellent season, only losing three out of their seven games.

Nevertheless, the wrestlers competed well, always keeping up the Tiger pride!!

Key Garrido, Victor Hughes, Louis Sapinosa, and Yohonnis Johnson anticipate victory.

Varsity

Coach Berger and many members of the hockey team did not expect a winning season. They were surprised to complete the season without a defeat, enabling them to capture the Eastern League title. Unfortunately the team was eliminated in the CIF semifinals against Serra. However, the hockey team had many standouts: Kari, Linda, and Marlene made the Eastern League first team, Yuki and Janet, Honorable Mention: Kari, Eastern League Player Of The Year.

Pictured above: Standing: Kari Carlin, Coach Page, Marlene Ito, Coach Berger, Carole Snyder, Toni Echaves, Linda Price, Jennifer Hernandez. Kneeling: Yuki Marsden, Aida Rocamora, Diane Snyder, Tari Carlin, Diane Sinsay, Janet Chappell.

Junior Varsity

In '79, the J.V. field hockey team won the Eastern League title and this year's team followed in its tracks. The '80 team was not as strong as the previous group and lacked a great deal of experience. Whatever was lacking was made up in spirit and the will to win. Under the guidance of Coaches Page and Berger, the team finished its season undefeated.

Pictured above: Standing: Coach Page, Malinda Lathrop, Roxanne Forde, Peggy Peck, Patty Berendt, Rose Peck, Joy Hackebill, Coach Berger, Kneeling: Susan Roe, May Espejo, Criselda Endaya, Judith Hernandez, Darlene Carter, Kimi Jordan, Lori Salazar, Easther Luna, Cynthia Bagnas.

The fastest growing sport

Soccer

A popular Latin and European sport gaining fans in the United States is soccer. The spirit and excitement spreading around the country can also be found right here at Morse. Spectators can come down to the field every afternoon to watch the players dive, kick, and tackle while seeking the ball, running with agility and determination. The team may have been "young and inexperienced" yet were "aggressive and never quits," according to team coach Wil Prejean who commented: "... good team effort with all contributing." This is evident in the tight, close games against the powerhouse teams of San Diego and Point Loma in which the Tigers only allowed two goals. (Final score each game, 0-2) The energy and enthusiasm of the soccer team lead them to a terrific season!

Girls' Basketball

This year's season under the guidance and leadership of Coach McCarthy and assistant coach Miss Bell, looked very promising with the return of fine young ladies and newcomers who joined this year.

Once again they faced some tough new opponents but this year's group had a lot of team spirit and some fine players who made the girls' basketball team an excellent one.

Dives Into the 1980's!

The Tiger Swim Team of 1980 continued in the fine tradition of Morse Aquatics. Each individual's commitment for excellence and personal success made this first season of the 80's one to remember. Lead by All-CIF performer, **Charles Limberg** as well as seniors, **Jeff Burdett, Steve Mishler,** and **Eddie Norris,** the Tiger Swim Team earned the respect of swimmers and coaches throughout the country. The student athletes, working under **Coach Gary MacDonald,** finished with an excellent season and set numerous school records.

Tennis . . . what a racket!

Over hill, over dale, we will hit the dusty trail as we count the trees running along — was the slogan adopted by the team as running became an important part of daily practices. Since changed CIF rules required each player to play four sets, Coach Wil Prejean made sure his players had endurance and stamina. This included running and endless drills. This year the team has potential and chance for a strong finish in the Eastern League. Leading the way are three year players Henry Freow, Charles Oliva, John Martinez, and Miro Copic. Other players include Kazuhiko Sato, Efren Nierva and Chris Machitar. With practice, running, 2 assistant coaches, 3 managers, how can the team not be good?

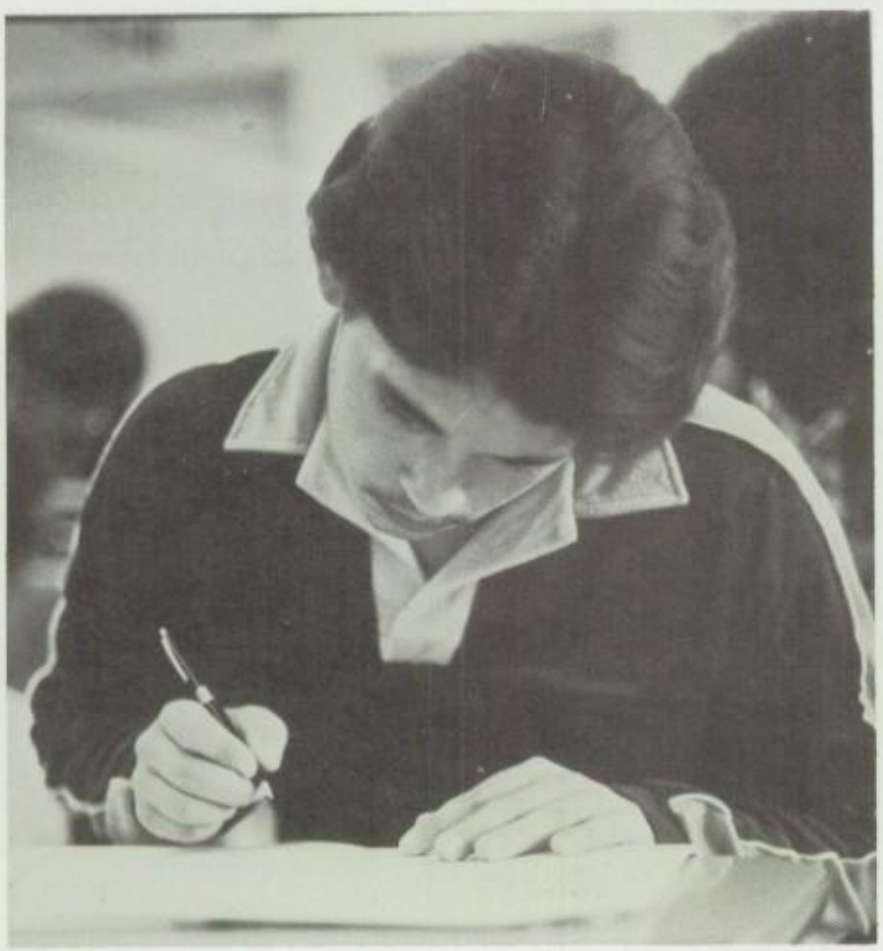
THE SAN DIEGO URBAN LEAGUE'S

. . . Career — Education — Industry Council Proudly Salutes

What is The YCDP Project? The Youth Career Development Project is conducted by the National Urban League in conjunction with 6 local affiliates across the United States. The project is designed to assist junior and senior high school students to prepare for and find jobs. Through the program's special career development assistance during the summer and school year young people are able to make a more successful transition from school to work. An emphasis is placed on strengthening the relationships between school and students, community and potential employers. YCDP students participate in: career development presentations from the speakers bureau, career guidance sessions, film strip presentations, group guidance sessions, job search skill practice interview techniques, and individual counseling.



YOUTH CAREER DEVELOPMENT PROJECT. .

MORSE HIGH SCHOOL 1980 GRADUATES!

For the YCDP program to be successful, the cooperation and participation of the local business and industry representatives is vital. Businessmen participate in both the Career Education and Industry Council (CEIC), which serves as an advisory board to project staff and in the YCDP speakers bureau.

But the most vital way the San Diego community can help is to participate. You — the business leaders and other professionals — can offer the students jobs. You can call us with current or future job openings, both blue and white collar positions.

CEIC members sponsoring this year's yearbook advertising feature are:

MARIA OLIVA LOPEZ — Mari, my 3 years here at Morse were really nice ones. I met many people who were really sweet to me. I like to thank my teachers for being wonderful people. I had a lot of fun times with all my true friends and I wish them all the happiness in the world — Gric G., Rosa T., Yoli E., Laura L., Paul S., Karen O., (Jessica), Susana B., and a special thanks to my best friend Beatrice E. and my right cousin Maggie. In my senior year I had a lot of fun, especially when our class of '80" went to CIF I recieved a scholarship for cake decorating, and the people I have to thank for is Ms. Walter & the wonderful person that gave me the scholarship, "thanks" Mrs. Scott. The second best thing that happened was the closeness of my sister Rosie (Leona) and I got. Will never forget the "crusing on Highland" and the partying we did (Love you). My most exciting years at Morse were in my soph. yr. I was active in the Pep club, Girls Field Hockey & helping my sister collect and count pennies for United Way — Chad, and we had the most ($587.50) Also in the 10th grade I met a very "SPECIAL" friend who later became close to me & the friends we had will never be forgotten. I will always treasure the good times we had (Love ya Anna

Start College

Up to $14,100 richer.

The Army can help you save a lot of money for college. With a two-year enlistment you can accumulate up to $7,400. With a three-year hitch up to $12,000. And as much as $14,100* with a four-year enlistment.

The savings start with your enrollment in the Veterans Educational Assistance Program (VEAP, for short) and it grows at the rate of two dollars for every one dollar you save for college.

And now, if you qualify, special education incentives of up to $2,000, $4,000 and $6,000 are added for two, three and four-year enlistments respectively.

A wealth of experience.

As a soldier, you'll have seen and done things most college freshmen only dream about.

You'll have handled responsibility, faced challenges, and lived, and worked with people from almost every background imaginable.

This experience will give you more than the money for an education. It will teach you the value of having one.

Learn more.

Now's the time to learn more about VEAP, and to decide whether you want to take advantage of it.

*Enlisting for 4 years in certain Army specialties can earn you an additional bonus of up to $3,000, raising the total to $17,100.

CHARLES JOHN OLIVA — My 3 years at Morse were very memoralbe. First of all, I'd like to thank my Mom, Dad, and Carol for their love and support God Bless them. 3 years playing Varsity Tennis. I'm gonna miss that hill! Bro' David you've been my best friend for a long time. Sure was fun partying and goofing around. Janice Viado my favorite lil' lady, never forget you. You've been very kind to me. Bobby G. sure was fun playing B-Ball. Thnaks for being a good friend. Chris M. great times in annual staff, don't miss those deadlines! Debbie C. favorite cheerleader on #1 cheersquad. You're a special pal. Lunchtime was great, would have starved, if you hadn't have treated me all those times. Leon D. Oh No! Mr. Pro-Photo, Fry-Boy and G.Q. so when you gonna get married to L.R. Row' had a great time at Homecoming '79. Mela' and Nanc' two sweet sisters my angels! My cousins John and Anna thanks for putting up with me. Annual Staff '79 - '80 didd one hell of a job, Miro we wouldn't have done it w/o you! My teachers, thanks for teaching me a valuable education. All my other friends, I'll remember you all, a simple thanks to you for being good friends. Of course, I didn't forget you Chelley How can I! My senior year wouldn't have been so much fun and full of memories without you. I don't really know how to thank you for being such a special lady to me. The Jackson's Concert and just going out with you was fun and crazy. You'll always be my NO 1 CHELLEY "MASCOT" FRYER! I'll never forget you bebe . . . So Morse Tigers, 1980 Senior Class is the best! Take care Morse, I'll miss ya! God Bless Everyone!

To Santos J. Discar,

Thank you for all the joy, happiness and love that you have given me during my past three years at Morse. Remember how it all started on December 31, 1977, when we danced the night away to our song "Always & Forever." We sure had a lot of fun that night and in the days that followed. I enjoyed being with you at football games, parties, or where ever we went together. Thanks Sweetheart for the memories. I'm proud of you, babes, for making it to UCSD, and I hope you're proud of me for making it also. I Love you very much Sanny, because you mean so much to me. I hope that in the years to come our dreams will come true. Remember these dates: 1/31/77 6/22/79, 1/22/80. Remember our promise to always be together, and the ring that you gave me to seal that promise. May God Bless us both, and for the special love that shared we shared for each other.
